Item 8.01 Other Events.

In June 2006, two executive officers of Noven Pharmaceuticals, Inc., Juan A. Mantelle and Robert C. Strauss, each established stock trading plans intended to comply with the guidelines specified in Rule 10b5-1 under the Securities Exchange Act of 1934. Each of the plans provides for the exercise of stock options and the subsequent sale of the acquired shares on the open market, subject to specified limitations and minimum price thresholds. The Rule 10b5-1 trading plan for Mr. Strauss only applies to certain stock options which expire in November 2006. Under these plans, the executive officers do not control the specific timing of any option exercise or sale.

Rule 10b5-1 permits corporate officers and directors to adopt written, pre-arranged stock trading plans when they are not in possession of material, non-public information. Public disclosure of the transactions under these plans is required to be made by the executive officers through Form 144 and Form 4 filings with the Securities and Exchange Commission.
