The shares can be repurchased either a) through a tender offer made to all the shareholders on equal terms determined by the Board, in proportion to the shares held by the shareholders, and for an equal price determined by the Board; or b) through public trading and on such stock exchanges the rules of which allow companies to trade with their own shares. In this case the shares would be repurchased in another proportion than that of the current shareholders. It is proposed that the authorization be effective until June 30, 2008.</p> | Mgmt | For |
