Time on the fourteenth (14th) calendar day preceding the date of the Meeting (the 'record date'): - through registration in the register of the registered shares of the company, for holders of registered shares; or- through book-entry in the accounts of an authorised account holder or clearing organisation, for holders of dematerialised shares. Holders of bearer shares must first convert their bearer shares into registered or dematerialized shares; and (ii) notify the company (or the person designated by the company) by returning a signed original paper form or, if permitted by the company in the notice convening the Shareholders Meeting, by sending a form electronically (in which case the form shall be signed by means of an electronic signature in accordance with applicable Belgian law), at the latest on the sixth (6th) calendar day preceding the day of the Meeting, of their intention to participate in the Meeting, indicating the number of shares in respect of which they intend to do so. In addition, the holders of dematerialised shares must, at the latest on the same day, provide the company (or the person designated by the company), or arrange for the company (or the person designated by the company) to be provided, with an original certificate issued by an authorised account holder or a clearing organisation certifying the number of shares owned on the record date by the relevant shareholder and for which it has notified its intention to participate in the Meeting. An issuer of certificates relating to registered shares must notify its capacity of issuer to the company, which will record such capacity in the register of such shares. An issuer which refrains from notifying this capacity to the company can only vote at a Shareholders' Meeting if the written notification indicating its intention to participate in that Shareholders' Meeting specifies its capacity of issuer. A shareholder may designate, for a given meeting, only one person as proxy holder, except in circumstances where Belgian law allows the designation of multiple proxy holders. The appointment of a proxy holder may take place in paper form or electronically (in which case the form shall be signed by means of an electronic signature in accordance with applicable Belgian law), through a form which shall be made available

Any appointment of a proxy holder shall comply with relevant requirements of applicable Belgian law in terms of conflicting interests, record keeping and any other applicable requirement.

c) Formalities for admission: Prior to the Meeting, the shareholders or their proxies are required to sign an attendance sheet, indicating their first name, last name, and place of residence or corporate denomination and registered office, as well as the number of shares in respect of which they are participating in the Meeting. Representatives of legal entities must provide the documents evidencing their capacity as bodies or special proxy holders. The natural persons, shareholders, bodies or proxy holders who take part in the Shareholders' Meeting must be able to prove their identity.

d) Other securities: The holders of profit sharing certificates, non-voting shares, bonds, subscription rights or other securities issued by the company, as well as the holders of certificates issued with the assistance of the company and representing securities issued by the latter, may participate in the Shareholders' Meeting insofar as the law entitles them to do so, and, as the case may be, gives them the right to participate in voting. The original signed paper form must be received by the company at the latest on the sixth (6th) calendar day preceding the date of the Meeting. Voting through the sending of the signed electronic form may occur until the calendar day before the date of the Meeting.
