TECHNE CORPORATION

PROXY STATEMENT
for
Annual Meeting of Shareholders
to be held October 23, 2003

INTRODUCTION

Your Proxy is solicited by the Board of Directors of Techne Corporation (the "Company") for use at the Annual Meeting of Shareholders to be held on October 23, 2003 and at any adjournment thereof, for the purposes set forth in the attached Notice of Annual Meeting.

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

The cost of soliciting Proxies, including preparing, assembling and mailing the Proxies and soliciting material, will be borne by the Company. Directors, officers and regular employees of the Company may, without compensation other than their regular compensation, solicit Proxies personally or by telephone.

Proxies not revoked will be voted in accordance with the choice specified by shareholders by means of the ballot provided on the Proxy for that purpose. Proxies which are signed but which lack any such specification will, subject to the following, be voted in favor of the proposals set forth in the Notice of Meeting and in favor of the number and slate of directors proposed by the Nominating and Governance Committee of the Board of Directors and listed herein. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. Abstentions, therefore, as to any proposal will have the same effect as votes against such proposal. If a broker returns a "non-vote" proxy, indicating a lack of voting instruction by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter.

The mailing address of the Company's principal executive office is 614 McKinley Place N.E., Minneapolis, MN 55413. The Company expects that this Proxy Statement and the related Proxy and Notice of Annual Meeting will first be mailed to shareholders on or about September 23, 2003.

At the close of business on September 12, 2003, 41,027,576 shares of the Company's Common Stock were issued and outstanding. Such Common Stock is the only outstanding class of stock of the Company. Each share of Common Stock is entitled to one vote on each matter to be voted upon at the meeting. Holders of the Common Stock are not entitled to cumulative voting rights in the election of directors.

General Information

The Bylaws of the Company provide that the number of directors shall be determined by the shareholders at each annual meeting. The Nominations and Governance Committee of the Board of Directors of the Company recommends that the number of directors to be set at seven and that the individuals named in the table below be elected. Under applicable Minnesota law, approval of the proposal to set the number of directors at seven, as well as the election of each nominee, requires the affirmative vote of the holders of the greater of (1) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (2) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting.

In the election of directors, each Proxy will be voted for each of the nominees listed below unless the Proxy withholds a vote for one or more of the nominees. Each person elected as a director shall serve for a term of one year or until his successor is duly elected and qualified. All of the nominees are members of the present Board of Directors. If any of the nominees should be unable to serve as a director by reason of death, incapacity or other unexpected occurrence, the Proxies solicited by the Board of Directors shall be voted by the proxy representatives for such substitute nominee as is selected by the Nominations and Governance Committee, or, in the absence of such selection, for such fewer number of directors as results from such death, incapacity or other unexpected occurrence.

The following table provides certain information with respect to the nominees for director.

Committee and Board Meetings

The Company's Board of Directors has three standing Committees, the Audit Committee, the Executive Compensation Committee and the Nominations and Governance Committee. All members of all Committees are "independent" as such term is defined in applicable rules of the NASD. The Audit Committee (whose members are Messrs. Herbert and O'Connell and Dr. Steer and since August 11, 2003 Mr. Baumgartner) operates under a written charter established by the Company's Board of Directors. The Audit Committee is responsible for the selection and supervision of the Company's auditors and for reviewing the Company's internal audit procedures, the quarterly and annual financial statements of the Company and the results of the annual audit. The Audit Committee also establishes and oversees the implementation of the Company's cash investment policy and monitors the Company's financial fraud hotline. The Board of Directors has determined that for fiscal 2003 Messrs. Herbert and O'Connell and Dr. Steer served as "financial experts" as such term is defined in Section 407 of the Sarbanes-Oxley Act. The Audit Committee met five times during fiscal 2003. The Executive Compensation Committee (whose members are Drs. Henney and Steer and Messrs. Herbert and O'Connell) determines compensation for executive officers of the Company. The Executive Compensation Committee met three times during fiscal 2003. In addition to formal meetings, the Audit and Compensation Committees had numerous telephone conferences regarding Committee business and individual members of the Committee had meetings with management, auditors and auditor candidates.

5

In June of 2003 the Board established the Nominations and Governance Committee and provided that it shall be composed of all "independent" directors as such term is defined in applicable rules of the Securities and Exchange Commission and Nasdaq, i.e., currently all directors except Mr. Oland. The functions of the Committee are to recruit well qualified candidates for the Board, select persons to be proposed in the Company's proxy statement for election as directors at annual meetings of shareholders, and to establish governance standards and procedures which will support and enhance the performance and accountability of management and the Board. The Committee will consider all nominees for director recommended by shareholders of the Company. Recommendations may be sent to the Committee at the Company's address in care of its General Counsel. The Committee did not formally meet in fiscal 2003, however, it conducted the search and made the selection as a director of Mr. Baumgartner in replacement of the retired Mr. Lowel E. Sears. The Committee also determined to propose to shareholders at their 2003 annual meeting the reelection of the incumbent directors of the Company.

During fiscal 2003, the Board held six meetings. Each director except Dr. Henney attended 75% or more of the total number of meetings of the Board and of Committees of which he was a member.

Directors' Fees

Directors who are not employees of the Company are compensated at the rate of \$25,000 per year for service on the Board and Committees of the Board. In addition, under the Company's 1998 Nonqualified Stock Option Plan,

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

outside directors automatically receive an option to purchase shares of the Company's Common Stock on election and upon each re-election. In connection with the 2003 Annual Meeting of Shareholders, the number of shares subject to the option granted to outside directors re-elected to the Board will be 5,000 per director.

Audit Committee Report

The Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management;
- (2) discussed with the independent auditors the material required to be discussed by Statement on Auditing Standards No. 61; and
- (3) reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board's Standard No.1, and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2003 as filed with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Compensation Committee Report on Executive Compensation

Compensation Committee Interlocks and Insider Participation. The Compensation Committee of the Board of Directors of the Company is composed of directors Christopher S. Henney, D.Sc., Ph.D., G. Arthur Herbert, Howard V. O'Connell and Randolph C. Steer, M.D., Ph.D. None of the members of the Committee is or ever has been an employee or officer of the Company and none is affiliated with any entity other than the Company with which an executive officer of the Company is affiliated.

Overview and Philosophy. The Company's executive compensation program is comprised of base salaries, annual performance bonuses comprised of a cash and option component, long-term incentive compensation in the form of stock options, and various benefits, including the Company's profit sharing and savings plan and stock bonus plan in which all qualified employees of the Company participate. In addition, the Compensation Committee from time to time may award special cash bonuses or stock options related to non-

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

recurring, extraordinary performance.

The Compensation Committee has followed a policy of paying annual base salaries which are on the moderate side of being competitive in its industry and of awarding bonuses based on achievement of specific revenue, profit and non-monetary goals. If the goals are achieved, the officer receives an option to purchase a number of shares with a fair market value on date of grant equal to 20% of the officer's base salary and receives, at the election of the officer, either a cash bonus equal to 20% of the officer's base salary or an additional option to purchase a number of shares with a fair market value on date of grant equal to 170% of the cash bonus alternative. Bonuses are awarded on a prorated basis if between 85% and 100% of the specific revenue and profit goals are achieved. The goals are established annually as recommended by the Chief Executive Officer of the Company and approved by the Compensation Committee.

The Company has formal employment agreements effective through June 30, 2004 with its full-time executive officers who served during fiscal 2003, other than Mr. Oland, its President who serves pursuant to an oral understanding, and Mr. Heaney, who retired on September 30, 2002. See "Employment Contracts and Change in Control Arrangements" below. The agreements provide for base salaries subject to annual review, bonuses as described above, benefits as provided to all employees and severance compensation dependent upon years of employment with or service to the Company in the event that the officer's employment is terminated without cause or in connection with a sale or merger of the Company.

Compensation in 2003. During fiscal 2003, the Company maintained its principal compensation policies and made adjustments in base salaries to reflect competitive industry and individual performance factors. The Committee, at the beginning of fiscal 2003, established performance criteria for officers based 70% on growth in consolidated revenues and earnings and, working through the Company's Chief Executive Officer, 30% on individual goals which, if met, would permit each officer to earn a cash bonus and additional stock options. The Company achieved record revenues and earnings. On the basis of performance against the criteria established, the Committee, at the close of fiscal 2003 awarded to Dr. Tsang, and Messrs. Veronneau and Heaney the bonuses set fourth in the table below under "Summary Compensation Table" and, subsequent to fiscal year end, the options indicated in footnote (2) to the table below under "Options/SAR Grants During 2003 Fiscal Year". In further recognition of the officers' achievements, the Committee established base salaries for fiscal 2004 as disclosed below under "Employment Contracts and Change in Control Arrangements."

General. The Company provided medical and insurance benefits to its executive officers, which are the same as those generally available to all Company employees. The Company has a profit sharing and savings plan in which all qualified employees, including executive officers, participate subject to statutory limitations on contributions for highly compensated individuals. In fiscal 2003, 2002 and 2001, the Company has contributed to the plan an amount equal to approximately 4%, 10% and 9% of gross wages, respectively. One half of the contributions to the plan is in the form of Common Stock of the Company. The amount of perquisites allowed to executive officers, as determined in accordance with rules of the Securities and Exchange Commission, did not exceed 10% of salary in fiscal 2003.

Chief Executive Officer Compensation. Thomas E. Oland served as the Company's Chief Executive Officer in fiscal 2003. His compensation was determined in accordance with the policies described above as applicable to

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

all executive officers. His base salary of \$225,000 remained the same in fiscal 2002 and fiscal 2003. For fiscal 2003 performance he earned but waived a cash bonus. In February, 1996 the Compensation Committee, in connection with the Board's long-term strategic planning for the Company, adopted a substantial long-term incentive for Mr. Oland in the form of options to purchase an aggregate of 400,000 shares of the Common Stock of the Company at \$4.53 per share, the fair market value on the date of grant. The options are fully vested and will expire on the earlier of (a) as to 268,000 shares one year from the date of termination of employment and as to 132,000 shares three months from the date of termination of employment, or (b) February 1, 2006.

Summary. Aggregate executive compensation increased moderately in fiscal 2003 and the Company awarded modest stock options to officers because the Company achieved record revenues and individual officers achieved certain performance goals. The Compensation Committee intends to continue its policy of paying relatively moderate base salaries, basing bonuses on specific revenue, profit and performance goals and granting options to provide long-term incentive.

Employment Contracts and Change in Control Arrangements

The Company has formal employment agreements with each of its full-time executive officers with the exception of its President and Chief Executive Officer, with whom the Company has an oral understanding. The agreements with Dr. Tsang and Mr. Veronneau expire June 30, 2004. The agreement with Mr. Heaney expired on September 30, 2002. The agreements provide for base salaries subject to annual review, bonuses as described in the Compensation Committee Report contained in this Proxy Statement, benefits as provided to all employees and severance compensation based upon years of employment by or service to the Company in the event that the officer's employment is terminated without cause or in connection with a sale or merger of the Company. Base salaries for fiscal 2004 for the executive officers named in the Summary Compensation Table are as follows: T. Oland - \$230,000; M. Tsang - \$228,000; M. Veronneau - \$140,000. Mr. Heaney retired on September 30, 2002, resigned as an officer and director on that date, and worked during the remainder of the fiscal year in a transitional, part-time capacity. Each of such officers is also subject to a confidentiality and non-competition agreement, which prohibits competition with the Company for a period of two years following termination of employment with the Company.

INDEPENDENT AUDITORS

KPMG LLP acted as the Company's independent auditors for the 2003 fiscal year. The selection of an auditor for the current fiscal year has not yet been made but will be made immediately following the 2003 annual meeting of shareholders. A representative of KPMG LLP is expected to be present at the shareholders' meeting, will have the opportunity to make any desired comments, and will be available to respond to appropriate questions.

As previously reported, on November 18, 2002 the Company dismissed its independent auditors, Deloitte & Touche LLP ("D&T") and engaged KPMG LLP ("KPMG") to serve as its new independent auditors for the fiscal year ending June 30, 2003. The dismissal of D&T and the engagement of KPMG were pursuant to action taken by the Audit Committee of the Company's Board of Directors.

D&T's reports on the Company's consolidated financial statements for each of the fiscal years ended June 30, 2002 and 2001 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended June 30, 2002 and 2001 and through November 18, 2002, there were no disagreements with D&T on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to D&T's satisfaction, would have caused it to make reference to the subject matter of the disagreements in connection with its report on the Company's consolidated financial statements for such years; and there were no "reportable events," as such term is defined in Item 304 (a) (1) (v) of Regulation S-K of the Securities and Exchange Commission.

The Company provided D&T with a copy of the foregoing disclosures. D&T provided the Company with a letter addressed to and previously filed with the Securities and Exchange Commission, stating its agreement with the statements contained in such disclosures.

During the years ended June 30, 2002 and 2001 and through the date of the Audit Committee's decision to engage KPMG, the Company did not consult KPMG with respect to the application of accounting principles to

a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as set forth in Items 304 (a) (2) (i) and (ii) of Regulation S-K of the Securities and Exchange Commission.

Audit Fees

The estimated aggregate fees billed and to be billed by KPMG LLP for professional services rendered in connection with the audit of the Company's annual financial statements for fiscal 2003 and review of the Company's Forms 10-Q for the second and third quarters of fiscal 2003 are \$104,000. For professional services rendered in connection with its review of the Company's Form 10-Q for the first quarter of fiscal 2003 and the transition of audit work to KPMG, Deloitte & Touche LLP billed the Company \$12,985.

Financial Information Systems Design and Implementation Fees

Neither KPMG LLP nor Deloitte & Touche LLP provided the Company any services related to financial information systems design and implementation during fiscal 2003.

All Other Fees

The aggregate fees billed and to be billed by KPMG LLP and by Deloitte & Touche, LLP for all other non-audit services rendered to the Company during fiscal 2003, including fees for tax related services, employee benefit plan audits and business consulting services unrelated to financial information systems design and implementation are \$19,524 and \$49,671, respectively. The Company's Audit Committee determined that provision of such non-audit services was compatible with maintaining KPMG LLP's and Deloitte & Touche's independence and determined there is no conflict of interest.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10 percent of the Company's Common Stock, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Officers, directors, and greater than 10 percent shareholders ("Insiders") are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based on a review of the copies of such reports furnished to the Company, during the fiscal year ended June 30, 2003, all Section 16(a) filing requirements applicable to Insiders were met.
