PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Industrial Services of America, Inc., a Florida corporation (the "Company"), to be used at the 2006 Annual Meeting of Shareholders of the Company to be held at 10:00 A.M. (Eastern Daylight Time) on Tuesday, June 6, 2006 and at any and all adjournments thereof, for the purposes set forth in the accompanying Notice of the meeting.

Shares represented by duly executed proxies in the accompanying form received prior to the meeting and not revoked will be voted at the meeting or at any adjournments within 120 days thereof in accordance with the choices specified on the ballot. If no choices are specified, it is the intention of the persons named as proxies in the accompanying form of proxy to vote for (i) the nominees for election as directors and (ii) the ratification of the independent registered public accounting firm for the 2006 fiscal year. Such proxy may be revoked by the person executing it at any time before the authority thereby granted is exercised by giving written notice to the Secretary of the Company, by delivery of a duly executed proxy bearing a later date or by voting in person at the meeting. Attendance at the meeting will not have the effect of revoking a proxy unless the shareholder so attending so notifies the secretary of the meeting in writing prior to voting of the proxy.

The expenses of soliciting proxies for the Annual Meeting, including the cost of preparing, assembling and mailing this proxy statement and the accompanying form of proxy, will be borne by the Company. Such expenses, however, do not include any salaries and wages of officers and

employees of the Company who participated in the preparation, assembling and mailing of the proxy statement. In addition to the solicitation of proxies by mail, certain officers and regular employees of the Company, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies. The Company will also request persons, firms and corporations holding shares in their names, or in the names of their nominees, which shares are beneficially owned by others, to send this proxy material to and obtain proxies from such beneficial owners, and will reimburse such holders for their reasonable expenses in so doing.

The presence in person or by proxy of shareholders holding a majority of the outstanding shares of the Company's Common Stock will constitute a quorum for the transaction of all business at the Annual Meeting. A shareholder voting for the election of directors may withhold authority to vote for all nominees for directors or may withhold authority to vote for certain nominees for directors. A shareholder may also vote for, against or abstain from voting on the proposal to ratify the selection of the independent registered public accounting firm for the 2006 fiscal year. Votes withheld from the election of any nominee for director and abstentions from any other proposal will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but will not be counted in the number of votes cast on any matter. If a broker does not receive voting instructions from the beneficial owner of shares on a particular matter and indicates on the proxy that it does not have discretionary authority to vote on that matter, those shares will not be considered as present and entitled to vote with respect to that matter.

This proxy statement and the accompanying form of proxy are being mailed to shareholders commencing on or about April 28, 2006.

ITEM I. ELECTION OF DIRECTORS

The nominees for election as directors are Harry Kletter, Roman Epelbaum, David W. Lester, Orson Oliver, Albert Cozzi, Craig Feltner and Richard Ferguson. At the 2005 Annual Meeting, the shareholders elected Messrs. Kletter, Epelbaum, Lester, Oliver and Bob Cuzzort, all nominees for the Board of Directors, for a term expiring at the 2006 Annual Meeting. The term for Mr. Cuzzort as a member of the Board of Directors will expire at the 2006 Annual Meeting. On April 19, 2006, the Board of Directors voted to expand the size of the Board from five members to seven members effective as of the 2006 Annual Meeting, all in accordance with the Company Bylaws. If elected, all directors will hold office until the 2007 Annual Meeting and until their respective successors have been elected and qualified.

Shareholders voting at the Annual Meeting may not vote for more than the number of nominees listed in this Proxy Statement. Directors will be elected by a plurality of the total votes cast at the Annual Meeting. That is, the seven nominees receiving the greatest number of votes for directors will be deemed elected directors. It is the intention of the persons named as proxies in the accompanying form of proxy (unless authority to vote therefor is specifically withheld) to vote for the election of the seven nominees for directors. In the event that any of the nominees becomes unavailable (which is not now anticipated by the Company), the persons named as proxies have discretionary authority to vote for a substitute nominee designated by the present Board. The Board has no reason to believe that any of said nominees will be unwilling or unable to serve if elected.

The following table contains certain information regarding each of the nominees for election as directors at this year's annual meeting. Each of these individuals has furnished the respective information shown.

With the exception of Edward List, the Chief Operating Officer for the Company, who is the son-in-law of Harry Kletter, a director, President and Chief Executive Officer of the Company, none of the other directors of the Company or the nominees has any family relationship with any other director or executive officer of the Company.

Governance of the Company

During 2005, the Board met nine (9) times. So far in 2006, the Board has met one (1) time. In 2005, all incumbent directors attended at least 75% of the aggregate number of meetings of the Board and the committees of which they were members.

The Compensation Committee, comprised of Messrs. Lester and Epelbaum, is responsible for making recommendations to the Board regarding salaries and bonuses to be paid to Company executive officers. During the year ended December 31, 2005, this committee did not meet.

The Audit Committee confers with the Company's independent registered public accounting firm regarding the scope and adequacy of annual audits; reviews reports from such independent accountants; and meets with the independent accountants to review the adequacy of the Company's accounting principles, financial controls and policies. The Audit Committee met one time during the first quarter of 2006 to review the report from the independent accountants and the management letter prior to releasing the Form 10-K Annual Report for the fiscal year ended December 31, 2005, and to review the Form 10-K Annual Report and related press releases for the fiscal year ended December 31, 2005. The Audit Committee met eight times in 2005 to review three quarterly financial filings, to review the management report from the registered public accounting firm and the 2004 Form 10-K Annual Report before filing, and to discuss the SEC comment letters, the 2005 budget, and compliance with the Sarbanes-Oxley act. Messrs. Lester, Epelbaum and Oliver were appointed to this committee at the Board meeting held May 17, 2005. All current members of the Audit Committee are independent as defined in Rule 4200(a)(15) of the National Association of Securities Dealers, Inc. ("NASD") listing standards and the Audit Committee Qualifications of Rule 4350(d)(2). The Board of Directors has determined that David W. Lester is an Audit Committee financial expert for the Company and is independent as described in the preceding sentence. The formal report of the Audit Committee with respect to the year 2005 begins on page 14 herein.

The Nominating Committee is empowered to recommend to the Board nominees for election as directors and persons to fill directors' vacancies and newly created directorships; recruit potential director candidates; recommend changes to the Board concerning the responsibilities and composition

of the Board and committees; and review written proxy comments and shareholder proposals (including director nominees) received from shareholders at the Company's principal executive offices not later than December 23 of the previous year for inclusion in the Proxy Statement for the following year's Annual Shareholder meeting. The Nominating Committee's Charter directs the Committee to investigate and assess the background and skills of potential candidates and to maintain an active file of suitable candidates for directors. The Nominating Committee is empowered to engage a third party search firm to assist, but the Committee currently believes that the existing directors and executive management of the Company and its subsidiaries have significant networks of business contacts that likely will form the pipeline from which candidates will be identified.

Upon identifying a candidate for serious consideration, one or more members of the Nominating Committee would initially interview such candidate. If a candidate merited further consideration, the candidate would subsequently interview with all other Committee members (individually or as a group), meet the Company's Chief Executive Officer and other executive officers and ultimately meet many of the other Directors. The Nominating Committee would elicit feedback from all persons who met the candidate and then determine whether or not to nominate the candidate. The Nominating Committee utilizes a subjective analysis to identify and analyze candidates to be nominated as directors, including but not limited to, highest personal and

7

professional ethics and integrity, general business knowledge, interest in the Company's business, and willingness to serve. However, there are currently no minimum qualifications or standards that the Company requires.

The Company would consider candidates for director nominees recommended by shareholders in accordance with the requirements of Florida law and the time limitation stated above. Shareholder submissions should be addressed to the Nominating Committee at the Company's executive offices, which submissions will then be forwarded to the Committee. If shareholder nominations were made, the Secretary, without prior screening, would forward any shareholder communication directly to the Board at the next regularly scheduled Board meeting. The Board would then request that the Nominating Committee consider the shareholder nominations. The Nominating Committee would then perform an investigation of the candidate to determine if the candidate were qualified and would present the shareholder nomination in the proxy statement to be subject to a vote of the shareholders. The Nominating Committee undertakes a similar investigation as to the qualifications of management nominations. Consequently, there effectively would be little difference in the evaluation process of nominations whether generated by shareholders or management. The Nominating Committee is not obligated to nominate any such individual for election. No such shareholder nominations have been received by the Company for this Annual Meeting. Accordingly, no rejections or refusals of such candidates have been made by the Company.

The Nominating Committee did not hire any director search firm in 2005 or 2006 and, accordingly, paid no fees to any such company. As indicated above, however, the Nominating Committee may do so in the future if necessary.

Messrs. Lester, Epelbaum and Oliver were appointed to the Nominating Committee at the Board of Directors meeting held January 31, 2005. The Board of Directors adopted a charter for the Nominating Committee at the Board of Directors meeting held January 31, 2005. Messrs. Lester, Epelbaum and Oliver are independent as defined in Rule 4200(a)(15) of the NASD listing standards.

Neither the Board nor the Nominating Committee has implemented a formal policy regarding director attendance at the Annual Meeting. Typically, the Board holds its annual organizational meeting directly following the Annual Meeting, which results in most directors being able to attend the Annual Meeting. In 2005, five (5) Directors attended the Annual Meeting.

The Executive Committee is one to which the Board of Directors may direct or delegate all or part of the duties and powers of the Board of Directors with the exception of those duties and powers specifically prohibited by the laws of the State of Florida. When so designated, the Executive Committee shall have the authority to act in the place and stead of the Board of Directors.

The Board of Directors has adopted the Industrial Services of America, Inc. Code of Ethics for the Chief Executive Officer and Financial Executives, which may be found on the Company's website at www.isa-inc.com/isafin.htm. The ISA Nominating Committee Charter and the ISA Audit Committee Charter may be found on ISA's website at www.isa-inc.com/isafin.htm.

Shareholders may communicate directly with the Board of Directors in writing by sending a letter to the Board at: Industrial Services of America, Inc., P.O. Box 32428, 7100 Grade Lane Louisville, KY 40232 or by a secure e-mail via the Company's website at

www.isa-inc.com/isafin.htm. All communications directed to the Board of Directors will be received and processed by the Industrial Services of America, Inc. Legal Department and will be transmitted to each member of the Nominating Committee without any editing or screening by the Legal Department.

Compensation of Directors

The Company granted an annual fee of \$10,000 payable in equal monthly installments for all non-employee directors during this past year (e.g., Messrs. Epelbaum and Lester). Mr. Lester received an additional \$10,000 for his service as Chairman of the Audit Committee. The following directors also received on the respective grant dates a one-time option to purchase 40,000 shares of Company Common Stock after election to the Board of Directors at an exercise price of \$1.25 per share. The table below states exercise prices, grant dates and expiration or exercise dates for these options.

Director	Grant Date	Exercise	Number of	Expiration or Exercise Date
----------	------------	----------	-----------	-----------------------------

		Price	Shares	
Bob Cuzzort	May 20, 2003	\$1.25	40,000	Exercised option to purchase 20,000 shares on May 24, 2004. The remaining options to purchase 20,000 shares expire at the earlier of May 20, 2008 or 60 days after cessation as board member.
Roman Epelbaum	May 30, 2002	\$1.25	40,000	Exercised option to purchase shares on November 21, 2004.
David W. Lester	February 4, 2002	\$1.25	40,000	Exercised option to purchase shares on March 17, 2004.

Mr. Kletter receives no additional consideration for serving on the Board of Directors. Fees for all non-employee directors elected to serve until 2007 will be determined at the first regular meeting of the Board to be held following the Annual Shareholder meeting on June 6, 2006.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's directors, certain officers and persons who own more than ten percent (10%) of the outstanding Common Stock of the Company, to file with the Securities and Exchange Commission reports of changes in ownership of the Common Stock of the Company held by such persons. Officers, directors and greater than 10% shareholders are also required to furnish the Company with copies of all forms they file under this regulation. To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and representations from reporting persons that no other reports including Form 5s were required, all Section 16(a) filing requirements applicable to all of its officers and directors were complied with during 2005 with the following exception: Harry Kletter did not timely file a Form 4 when he gifted a total of 2,000 shares in three transactions on January 28, 2005. The reporting persons have been informed by the Company of their filing obligations.

ITEM II. RATIFICATION OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company's Form 10-K Annual Report to Shareholders for the fiscal year ended December 31, 2005, including financial statements and the report of Mountjoy & Bressler, LLP thereon, is being mailed on April 28, 2006 with this Proxy Statement to each of the Company's shareholders of record at the close of business on April 21, 2006. The Board has selected Mountjoy & Bressler, LLP ("Mountjoy & Bressler") as the independent registered public accountants of the Company's accounts for the fiscal year ending December 31, 2006. This selection will be presented to shareholders for ratification at the Annual Meeting. If the shareholders fail to ratify this selection, the Board will reconsider the matter of the selection of the independent registered public accountants. Representatives of Mountjoy & Bressler are not expected to be present at the Annual Meeting. The

selection of Mountjoy & Bressler

will be deemed ratified if the votes cast in favor of the proposal exceed the votes cast against the proposal. Abstentions and broker non-votes will not be counted as votes cast either for or against the proposal.

As recommended by the Company's Audit Committee, the Board of Directors on April 14, 2005, dismissed Crowe Chizek and Company LLC ("Crowe Chizek") as the independent registered public accountants effective with the filing of the first quarter 2005 10-Q and engaged Mountjoy & Bressler to serve as the Company's independent registered public accountants for the quarter beginning April 1, 2005. This decision followed the Audit Committee's decision to seek proposals from other independent registered public accountants to audit the Company's financial statements for its fiscal year ending December 31, 2005.

The audit reports of Crowe Chizek on the financial statements of the Company as of and for the two fiscal years ended December 31, 2004 neither contained any adverse opinion or disclaimer of opinion, nor were these opinions qualified or modified as to uncertainty, audit scope or accounting principles. During the Company's two fiscal years ended December 31, 2004 and during the subsequent interim period preceding the replacement of Crowe Chizek, there were no disagreements between the Company and Crowe Chizek on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Crowe Chizek's satisfaction, would have caused Crowe Chizek to make reference to the subject matter of the disagreement in connection with its reports. During the two most recent years and the subsequent interim period preceding the replacement of Crowe Chizek, there were no reportable events (as described in Regulation S-K Item 304 (a)(1)(v)).

No consultations occurred between the Company and Mountjoy & Bressler during the two fiscal years ended December 31, 2004 and any subsequent interim period prior to Mountjoy & Bressler's appointment regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, the type of audit opinion that might be rendered on the Company's financial statements, or other information provided that was considered by the Company in reaching a decision as to an auditing or financial reporting issue or (ii) any matter that was the subject of disagreement or a reportable event requiring disclosure (under Item 304(a)(1)(v) of Regulation S-K).

The Company reported the change in independent registered public accountants on Form 8-K on April 18, 2005. The Form 8-K contained a letter from Crowe Chizek, addressed to the Securities and Exchange Commission, stating that it agreed with the statements contained in the third paragraph of Item 4 and indicating they did not have a basis to agree or disagree with the other statements contained therein.

Certain Transactions

K & R Lease; K & R Consulting Agreement

On February 16, 1998 the Company's Board of Directors ratified and formalized an existing relationship in connection with (i) the leasing by the Company of its facilities from K & R and (ii) the provision of consulting services from K & R to the Company. K & R is an affiliate of the Company and Harry Kletter, the Company's Chairman of the Board and Chief Executive Officer, is the sole member of K & R.

Lease Agreement. The Lease Agreement (the "K & R Lease"), effective as of January 1, 1998, between K & R, as landlord, and the Company, as tenant, covers approximately 20.5 acres of land and the improvements thereon, which are located at 7100 Grade Lane in Louisville, Kentucky (the "Leased Premises"). The principal improvements consist of an approximately 22,750 square foot building used as the Corporate Office, an approximately 8,286 square foot building used for CWS

offices, an approximately 13,995 square foot used as the paper recycling plant, an approximately 12,000 square foot building used for metals recycling plant, and an approximately 51,760 square foot building used as the recycling offices and warehouse space, with the remaining 15,575 square feet of space contained in five (5) buildings ranging in size from approximately 8,000 to 256 square feet.

The initial term of the K&R Lease is for ten years with two five-year option periods available thereafter. The base rent for the first five years was \$450,000 per

annum. The rent for the second five years, beginning January 1, 2003, became \$505,272 per annum, payable at the beginning of each month in an amount equal to \$42,106 (the "fixed minimum rent"). This fixed minimum rent adjusts each five years, including for each of the option periods, in accordance with the consumer price index. The fixed minimum rent also increases to \$750,000 per annum, in an amount equal to \$62,500 per month in the event of a change in control. The Company is required to pay, as additional rent, all real estate taxes, insurance, utilities, maintenance and repairs, replacements (including replacement of roofs if necessary) and other expenses. The K&R Lease provides for indemnification of K&R by the Company for all damages arising out of the use of or the condition of the leased premises excepting K&R's negligence. Under the K & R Lease, "change in control" means a transaction or series of transactions as a result of which (i) any person who does not currently own a majority of the outstanding stock of the Company acquires a majority of the outstanding stock of the Company, (ii) the Company sells or otherwise disposes of all or substantially all of the assets or business operations of the Company to any other person; or (iii) the Company merges or consolidates with any other person; unless, in any such case, shareholders owning the outstanding voting stock of the Company immediately prior to the consummation of such transaction or transactions will own, upon consummation of such transaction or transactions, at least a majority of the outstanding shares of the voting stock of the person acquiring the shares or assets of the person acquiring the Company or surviving the merger or consolidation of the Company in the transaction(s).

The K & R Lease provides that the Leased Premises may be used by the Company in its metal recycling and recycled paper sorting and bailing businesses, and for its corporate offices. Without the prior consent of K & R (and in the case of (ii) below the prior consent of any mortgagee of K & R), the Company may not (i) make any structural alterations, improvements or additions to the K & R Leased Premises, or (ii) assign (including a change of control) or sublet the Leased Premises. The K & R Lease provides for indemnification of K & R by the Company for all damages arising out of the Company's use or condition of the Leased Premises excepting therefrom K & R's negligence. The K & R Lease further provides that the Company will agree to subordinate its leasehold interest to the mortgage interest of any mortgagee of K & R.

The K & R Lease provides for termination by the Company upon damage (the "Damage") by fire or other casualty that cannot be reasonably repaired within, in most instances, 120 days of the Damage. All rent ceases as of the "injury date" under these circumstances. The K & R Lease also terminates upon condemnation of the Leased Premises in whole, with a condemnation of a portion of the Leased Premises resulting in an equitable adjustment of the Fixed Minimum Rent.

In 2004, the Company paid for repairs totaling \$302,160 that it made to the buildings and property that it leases from K&R, located at 7100 Grade Lane, Louisville, Kentucky. K&R executed an unsecured promissory note, dated March 25, 2005, but effective December 31, 2004, to the Company for the principal sum of \$302,160. K&R makes payments on the promissory note of principal and interest in ninety-six (96) monthly installments of \$3,897.66. The rate of interest is five and one-half percent (5.5%) per annum. Failure of K&R to make any payment when due under this note within fifteen (15) days of its due date shall constitute a default. After the fifteen day period, the note shall bear interest at a rate equal to fifteen percent (15%) per annum and the Company has the right to exercise our remedies to collect full payment of the note.

12

Events of Default under the K & R Lease include (i) failure by the Company to pay the Fixed Minimum Rent for 10 days after written demand therefor, (ii) any other default in the observance or performance by the Company of any of the other covenants, agreements or conditions of the K & R Lease, which shall continue for 30 days after written notice, unless the Company shall have commenced and shall be diligently pursuing curing such default, (iii) certain bankruptcy or related events affecting the Company, (iv) vacation of the Leased Premises by the Company, or (v) the transfer or devolution whether by operation of law or otherwise of the K & R Lease or the Company's estate or of any of the Company's interest to anyone other than K & R. Upon the occurrence of an event of default, K & R may, at its option, terminate the K & R Lease and enter into and take possession of the Leased Premises with the right to sue for and collect all amounts due, including damages. All payments are current.

K & R Consulting Agreement. The K & R Consulting Agreement dated as of January 2, 1998 (the "K & R Consulting Agreement"), by and between the Company and K & R, remains in effect until December 31, 2007, with automatic annual renewals thereafter unless one party provides written notice to the other party of its intent not to renew at least six months in advance of the next renewal date. K & R shall provide strategic planning and development to the Company, including advice on management activities, advertising, financial planning and mergers and acquisitions (the "K & R Consulting Activities"). The Company shall be responsible for all of K & R's expenses and pay to K & R \$240,000 in equal monthly installments of \$20,000 in connection with the K & R Consulting Activities.

The K & R Consulting Agreement terminates upon a non-defaulting party providing written notice to the other party of its intent to terminate. The recipient of the notice has 10 days to cure monetary defaults and 30 days to cure non-monetary defaults (which will be extended if a cure is being diligently commenced and pursued during that 30-day period). The K & R Consulting Agreement also terminates upon the condemnation or destruction by fire or other casualty of all or substantially all of the Leased Premises. Upon termination, K & R agrees not to engage, directly or indirectly, in the business conducted by, or hire employees from, the Company for a period of five years and within 100 miles of any operation of the Company. The Company's principal shareholder and Chief Executive Officer is compensated through consulting fees pursuant to the K & R Consulting Agreement.

The K & R Consulting Agreement provides for cross-indemnification of each party by the other for acts other than negligence or willful malfeasance. The K & R Consulting Agreement further provides that K & R must maintain the confidentiality of any information of the Company not otherwise in the public domain or required to be disclosed by law.

REPORT OF THE AUDIT COMMITTEE

In accordance with its Amended and Restated Charter the Audit Committee of the Board ("Committee") assists the Board in fulfilling its responsibility for the oversight of the quality and integrity of the accounting, auditing and financial practices of the Company. In discharging its oversight responsibility as to the audit process, the Committee obtained from the independent registered public accountants a formal written statement describing all relationships between the registered public accountants and the Company that might bear on the registered public accountants' independence consistent with the Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees", discussed with the registered public accountants any relationships that may impact their objectivity and independence, and satisfied itself as to the registered public accountants' independence. The Committee reviewed with the independent

registered public accountants their audit plans, audit scope and identification of audit risk.

On February 22, 2006, the Committee discussed and reviewed with the independent registered public accountants all communications required by generally accepted accounting standards, including those described in Statement of Accounting Standards No. 61, as amended, "Communication with Audit Committees," and, with and without management present, discussed and reviewed the results of the independent registered public accountants' examination of the financial statements.

The Committee reviewed the audited financial statements of the Company with the independent registered public accountants on February 22, 2006 and management on February 23, 2006. Based upon this review, the Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission.

The audit committee has considered whether the provision of these services is compatible with maintaining accounting independence.

PERFORMANCE GRAPH

The following performance graph compares the performance of the Company's Common Stock to the Standard & Poors 500 and to a peer group for the period commencing December 2000. Since there is no nationally recognized industry index consisting of consultants in the business of retail and industrial waste management sales and service of waste handling equipment to be used as a peer group index, the Company constructed its own peer group. This peer group is comprised of four companies which represent the other public companies in the industry -- Casella Waste Systems, Inc., Republic Services, Inc., Waste Connections, Inc., and Waste Holdings, Inc. The returns of each member of the peer group are weighted according to each member's stock market capitalization as of the beginning of the period measured. The graph assumes that the value of the investment in the Company's Common Stock and each index was \$100 at December 2000 and that all dividends were reinvested.
