Item 2.02. Results of Operations and Financial Condition.

## Edgar Filing: BANTA CORP - Form 8-K

On October 24, 2006, Banta Corporation (the Company) issued a press release (the Press Release) announcing the Company's third quarter financial results for the period ended September 30, 2006. A copy of the Press Release is being furnished as Exhibit 99.1 to this Current Report.

### Use of Non-GAAP Measures

The Company reports its financial results of operations in accordance with generally accepted accounting principles (GAAP). The Company has also provided non-GAAP financial information to complement its consolidated financial statements presented in accordance with GAAP. The non-GAAP financial measures included in the Press Release include the Company's earnings and diluted earnings per share from continuing operations for the three- and nine-month periods ended September 30, 2006, excluding restructuring and asset impairment charges and the reversal of a tax contingency reserve. Management believes it is useful for investors to understand how its core operations performed without the effects of the restructuring and asset impairment charges and the reversal of the tax reserve.

In the Company's judgment, excluding the restructuring and asset impairment charges and the reversal of the tax reserve from the Company's financial results allows investors to trend, analyze and benchmark in a meaningful manner the performance of the Company's core operations. In addition, the Company believes that providing earnings and diluted earnings per share from continuing operations excluding the effect of the items listed above provides another useful comparison of the Company's operational performance in 2006 to the comparable periods in 2005 and expected performance in 2006, 2007 and 2008. The Company has provided within the Press Release a reconciliation of the non-GAAP financial measures to the most directly comparable GAAP financial measures.

The non-GAAP financial measures included in the Press Release are intended to supplement the reader's overall understanding of the Company's current financial performance and its prospects for the future. However, the non-GAAP financial measures are not intended to supersede or replace the Company's GAAP results or expectations.
