[Footnotes in this prospectus supplement correspond to the footnotes in the prospectus.]

- (1) Calculated assuming only the conversion of all of the holder's LYONs at a conversion rate of stock per \$1,000 principal amount at maturity of the LYONs (giving effect to the three-for-two shares of our common stock on August 16, 2001 to stockholders of record on August 1, 2001). subject to adjustment, however, as described under "Description of the LYONs--Conversion Right" number of shares of common stock issuable upon conversion of the LYONs may increase or decrease. The number in this column does not include common stock that we may issue upon purchase of LYONs by a holder nor does it include any other shares of common stock otherwise held by each such holder.
- (2) Calculated based on 70,417,805 shares of common stock outstanding as of April 30, 2002. In calculating the number of shares of common stock issuable upon conversion of all LYONs. However, we did not assume the conversion of any other holder's LYONs.
- (6) Information about other selling securityholders will be set forth in prospectus supplements.
- (7) Assumes that any other holders of LYONs, or any future transferees, pledgees, donees, assignees, or successors of any such other holders of LYONs, do not beneficially own any common stock other than that issuable upon conversion of the LYONs at the initial conversion rate.

The information contained in this prospectus supplement regarding the selling securityholders has been prepared from information given to us by those selling securityholders on or prior to the date of this prospectus supplement.

Investing in the LYONs involves risks that are described in the "Risk Factors" section beginning on page 9 of the prospectus.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if the prospectus or this prospectus supplement is truthful or complete. Any representation to the contrary is a criminal offense.
