PROXY STATEMENT

Annual Meeting of Stockholders
To Be Held June 15, 2006

INTRODUCTION

This proxy statement is being furnished to stockholders of Elite Pharmaceuticals, Inc. (the "COMPANY", "ELITE", "US" or "WE") in connection with a solicitation by the Board of Directors of the Company of proxies to be voted at the Annual Meeting of Stockholders to be held at the offices of Reitler Brown & Rosenblatt LLC, 800 Third Avenue, 21st Floor, New York, New York 10022 on June 15, 2006, at 10:00 a.m. and any adjournments or postponements thereof. At the

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

meeting, the Company's stockholders will be asked to elect four Directors to serve until the next annual meeting of stockholders to be held and until their successors are elected and qualified, and to consider the following proposals: (i) approve an amendment to the Company's Stock Option Plan to increase the shares subject to the Plan from 4,000,000 to 7,000,000, (ii) approve and ratify the Series B Preferred Stock Financing involving the sale of the Company's Series B Preferred Stock convertible into shares of the Company's common stock and related warrants to purchase additional shares of the Company's common stock, and (iii) ratify the appointment by the Board of Directors of Miller Ellin & Co. LLP as the Company's independent auditors for the year ending March 31, 2006, and vote on such other matters as may lawfully come before the Annual Meeting.

STOCKHOLDERS ENTITLED TO VOTE

Only holders of record of the Company's common stock, par value \$.01 per share (the "COMMON STOCK"), at the close of business on May 15, 2006 (the "RECORD DATE") will be entitled to receive notice of, and to vote at, the Annual Meeting and at any adjournments or postponements thereof. At the close of business on the Record Date, there were 19,190,159 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote.

VOTING; REVOCATION OF PROXY; QUORUM AND VOTE REQUIRED

A form of proxy is enclosed for use at the Annual Meeting. Each proxy may be revoked at any time before it is exercised by giving written notice to the Secretary of the Annual Meeting, by submitting a duly executed, later-dated proxy, or by attending the Annual Meeting and voting at the Annual Meeting. Attendance at the Annual Meeting is not by itself sufficient to revoke your proxy. All shares represented by valid proxies pursuant to this solicitation (and not revoked before they are exercised) will be voted as specified in the form of proxy. If the proxy is signed but no specification is given otherwise the shares will be voted FOR the Board if Directors' nominees for election to the Board of Directors and FOR each of the proposals referred to above.

A majority of the shares outstanding on the record date will constitute a quorum for purposes of the Annual Meeting. For purposes of determining the votes cast with respect to any matter presented for consideration at the Annual Meeting, only those votes cast "for" or "against" are included. Abstentions and broker non-votes are counted for the purpose of determining whether a quorum is

4

present at the Annual Meeting. A broker "non-vote" occurs when a nominee holding shares of Common Stock for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Accordingly, since the election of directors will be effected by a plurality vote, abstentions and broker non-votes will not affect the outcome of the election of directors. Since approval of the proposal with respect to the amendment of the Company's Stock Option Plan, approval and ratification of the Series B Preferred Stock Financing, and ratification of the appointment of the independent auditors, requires the affirmative vote of a majority of the shares cast in person or by proxy on the proposal, abstentions will have the same effect as negative votes but broker non-votes will not affect the outcome.

Any stockholder who executes and delivers a proxy may revoke it at any time before it is voted by delivering a written notice of such revocation to the

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

Secretary of the Company at the address of the Company set forth in this proxy statement, by submitting a properly executed proxy bearing a later date, or by appearing at the Annual Meeting and requesting the return of the proxy or by voting in person. In accordance with applicable rules, boxes and designated spaces are provided on the proxy card for stockholders to mark if they wish either to vote for or withhold authority on the election of any of the Directors and to vote for, against or abstain on each of the other proposals.

Stockholders vote at the Annual Meeting by casting ballots (in person or by proxy) which will be tabulated by a person who is appointed by the Board of Directors before the Annual Meeting to serve as inspector of election at the Annual Meeting and who has executed and verified an oath of office.

It is anticipated that this proxy statement, the enclosed proxy card and the Annual Report to Stockholders for the year ended March 31, 2005 will be mailed to the Company's stockholders on or about May 26, 2006.

COSTS AND METHOD OF SOLICITATION

Solicitation of proxies may be made by directors and officers of the Company by mail, telephone, facsimile transmission or other electronic media and in person for which they will receive no additional compensation. We will not solicit proxies via the Internet, such as Internet chat rooms and/or posting on websites. Solicitation of proxies may be made by directors, officers and regular employees of Elite. The entire cost of soliciting proxies will be borne by the Company. Upon request, the Company will reimburse the reasonable fees and expenses of banks, brokers, custodians, nominees and fiduciaries for forwarding proxy materials to, and obtaining authority to execute proxies from, beneficial owners for whose accounts they hold shares of Common Stock.

PRINCIPAL OFFICE

The Company's principal office is located at 165 Ludlow Avenue, Northvale, New Jersey 07647, and its telephone number is (201) 750-2646.

5

PRINCIPAL STOCKHOLDERS

The following table sets forth certain information with respect to the beneficial ownership, as of May 15, 2006, of the shares of Common Stock of each stockholder of the Company known to the Company, based upon such person's representations or publicly available filings, to own beneficially more than 5% of the voting securities as of that date. The shares of Series B 8% Convertible Preferred Stock, par value \$0.01 per share (the "SERIES B PREFERRED SHARES"), all of which were issued in a private placement effected by the Company in March 2006, have no voting rights as to the matters to be considered at the Annual Meeting.

ITEM 1. ELECTION OF DIRECTORS

BOARD OF DIRECTORS' NOMINEES

The Company's by-laws provide that the Board of Directors will consist of not less than three nor more than ten members, the actual number of directors to be determined by the Board of Directors from time to time. The Board of Directors has set the number of directors of the Board of Directors as of the Annual Meeting at four.

The holders of Common Stock will elect four directors at the Annual Meeting, each of whom will be elected to serve until the next annual meeting of stockholders and thereafter until their

6

successors shall have been duly elected and shall have qualified. Unless a stockholder either indicates "withhold authority" on his proxy card or indicates on his proxy that his shares should not be voted for certain nominees, it is intended that the persons named in the proxy will vote for the election of the persons named in the table below.

The nominees of the Board of Directors, all of whom are currently Directors, were selected by a Nominating Committee consisting of Mr. Edward Neugeboren, Dr. Barry Dash and Dr. Melvin Van Woert. At the time of their selection they qualified as independent directors, as defined by Section 121A of the American Stock Exchange Listing Standards, as amended effective December 1, 2003, because none of them is an officer or employee of the Company or its subsidiary or is a person who the Board of Directors determines has a material relationship with the Company that would interfere with the exercise of his independent judgment. In selecting each of the nominees for the Annual Meeting, the Committee identified and evaluated the current Directors and their commitment to the policy of the Company and his qualifications and availability. The Committee believes that a nominee for director of the Company should have an appropriate level of sophistication, knowledge and understanding of the Company and the

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

industry, stockholder relations and finance and accounting for publicly held companies. The Committee also considered the need to select a nominee who had the appropriate experience and financial background who could qualify as an "audit committee financial expert" within the meaning of the rules under the Securities Exchange Act of 1934 and of the American Stock Exchange. Mr. Neugeboren qualifies as an audit committee finance expert. The Company did not engage any third party to assist in the process of identifying or evaluating candidates. The Company currently does not have a process for considering candidates put forward by stockholders other than those who are directors of the Company.

The table below sets forth the name and age as of the Record Date of each nominee, and the period during which he has served on the Board of Directors of the Company. Each of the nominees for director has agreed to serve if elected and has consented to being named in this Proxy Statement.

Except as otherwise set forth, information on the stock ownership of each person was provided to the Company by such person.

The Company does not have any compensation plans or outstanding arrangements benefiting employees or non-employees under which equity securities of the Company are authorized for issuance in exchange for consideration in the form of goods or services other than pursuant to the Stock Option Plan and agreements with independent consultants pursuant to which warrants to purchase an aggregate of 467,500 shares of Common Stock were granted. See "Item 2. Proposal to Amend Stock Option Plan".

The Company is informed and believes that as of May 15, 2006, Cede & Co. held 17,479,536 shares of the Company's Common Stock as nominee for Depository Trust Company, 55 Water Street, New York, New York 10004. It is our understanding that Cede & Co. and Depository Trust Company both disclaim any beneficial ownership therein and that such shares are held for the account of numerous other persons, no one of whom is believed to beneficially own five percent or more of the Common Stock of the Company.

COMPARATIVE STOCKHOLDER RETURN

The graph which follows compares the yearly percentage change in the Company's cumulative total stockholder return on its Common Stock with the cumulative total stockholder return of (1) all United States companies traded on the American Stock Exchange (where the Company's Common Stock is now traded) and (2) 51 companies traded on the American Stock Exchange which carry the Standard Industrial Classification (SIC) code 283 (Pharmaceuticals). The graph was prepared by the Center for Research in Security Prices at the University of Chicago Graduate School of Business, Chicago, IL.

The Common Stock of the Company was traded on the NASDAQ over-the-counter bulletin board from July 23, 1998 until February 24, 2000. The Common Stock of the Company began trading on the American Stock Exchange on February 24, 2000. The Company's fiscal year ends on March 31.

ITEM 2. PROPOSAL TO AMEND STOCK OPTION PLAN

Stockholders approved the 2004 Stock Option Plan on June 22, 2004 and an amendment on April 15, 2005. The Board of Directors in April 2006 approved, subject to stockholders approval, an amendment to the Company's 2004 Stock Option Plan as amended (the "Plan") to increase the number of shares subject to the Plan from 4,000,000 to 7,000,000 shares. The Plan authorizes the grant of options to employees and directors of, and consultants, to the Company or its subsidiaries.

As of May 15, 2006, there were outstanding options to purchase 2,967,500 shares, of which options to purchase 2,397,500 shares of Common Stock were granted under the Plan. No options granted under the Plan have been exercised.

The Company's Board of Directors on June 22, 2004 granted options under the Plan to purchase 220,900 shares of Common Stock at \$2.34 per share to current employees who held

16

options with exercise prices higher than the options granted and surrendered the options containing the higher exercise price. No options were granted prior to the stockholder approval in substitution of previously granted options to any officer or director of the Company.

To the extent any of the options granted or to be granted under the Plan expire or terminate without being exercised they may be subject to future grants under the Plan.

The following table sets forth information as of May 15, 2006 regarding options previously granted by the Company (exclusive of warrants previously sold along with shares of Common Stock in private placements by the Company) and options granted under the Plan to each of the Company's executive officers named under the Executive Officer Compensation Table under "Executive Compensation", all current executive officers as a group, all current directors who are not executive officers as a group and all employees other than executive officers as a group:

- (1) As part of a settlement of litigation between the Company and Dr. Mehta, the expiration dates of options granted prior to April 1, 2001 to Dr. Mehta to purchase 670,000 shares of Common Stock were extended to December 31, 2007 and the exercise prices of certain of the options were reduced. Dr. Mehta exercised 100,000 of the options on March 2, 2004.
- (2) Does not include an aggregate of 720,000 options granted during their terms as directors to six former directors.

The Plan may not be amended to increase the maximum number of shares which may be granted under the Plan (except under the anti-dilution provisions contained therein) or to change the class of persons to whom options may be granted without the affirmative vote of holders of the Company's Common Stock.

The Company believes the increase in the number of shares of Common Stock subject to the Plan will enhance its efforts to attract and retain individuals with good ability to service the Company, motivate their efforts and serve the business interests of the Company, while reducing the cash payments which the Company would otherwise be required to make to accomplish such purposes.

The last reported sale price of the Company's Common Stock (symbol ELI) on the American Stock Exchange on May 15, 2006, was \$2.31 per share. The proceeds received by us upon the exercise of the stock options granted under the Plan will be used for general corporate purposes.

FINANCIAL STATEMENT TREATMENT OF OPTIONS

The Company since April 2002, has expensed the fair value of equity-based awards, such as stock options and warrants, granted or modified in accordance with accounting principles

17

generally accepted in the United States of America. Modifications such as lowering the exercise prices or extending the expiration dates could result in material additions to the Company's non-cash expenses.

OPTIONS AUTHORIZED

The Plan permits the Company to grant both incentive stock options ("INCENTIVE STOCK OPTIONS" or "ISOS") within the meaning of Section 422 of the Code, and other options which do not qualify as Incentive Stock Options (the "NON-QUALIFIED OPTIONS").

Unless earlier terminated by the Board of Directors, the Plan (but not outstanding options) terminates on March 1, 2014, after which no further awards may be granted under the Plan. The Plan is administered by the full Board of Directors or, at the Board of Directors' discretion, by a committee of the Board of Directors consisting of at least two persons who are "disinterested persons" defined under Rule 16b-2(c)(ii) under the Securities Exchange Act of 1934, as amended (the "COMMITTEE"). As of March 31, 2006, the Board of Directors had not appointed a Committee.

FEDERAL INCOME TAX CONSEQUENCES. The following is a brief discussion of

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

the Federal income tax consequences of transactions under the Plan. This discussion is not intended to be exhaustive and does not describe state or local tax consequences.

INCENTIVE OPTIONS

No taxable income is realized by the Optionee upon the grant or exercise of an Incentive Option, except as noted below with respect to the alternative minimum tax. If Common Stock is issued to an Optionee pursuant to the exercise of an Incentive Option, and if no disqualifying disposition of such shares is made by such Optionee within two years after the date of grant or within one year after the transfer of such shares to such Optionee, then (1) upon sale of such shares, any amount realized in excess of the option price will be taxed to such Optionee as a long-term capital gain and any loss sustained will be a long-term capital loss, and (2) no deduction will be allowed to the Optionee's employer for Federal income tax purposes.

Except as noted below for corporate "insiders," if the Common Stock acquired upon the exercise of an Incentive Stock Option is disposed of prior to the expiration of either holding period described above, generally (1) the Optionee will realize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of such shares at exercise (or, if less, the amount realized on the disposition of such shares) over the option price paid for such shares and (2) the Optionee's employer will be entitled to deduct such amount for Federal income tax purposes if the amount represents an ordinary and necessary business expense. Any further gain (or loss) realized by the Optionee will be taxed as short-term or long-term capital gain (or loss), as the case may be, and will not result in any deduction by the employer.

Subject to certain exceptions for disability or death, if an Incentive Stock Option is exercised more than three months following termination of employment, the exercise of the Option will generally be taxed as the exercise of a Non-qualified Option.

For purposes of determining whether an Optionee is subject to any alternative minimum tax liability, an Optionee who exercises an Incentive Stock Option generally would be required to increase his or her alternative minimum taxable income, and compute the tax basis in the stock so acquired, in the same manner as if the Optionee had exercised a Non-qualified Option. Each Optionee is potentially subject to the alternative minimum tax. In substance, a taxpayer is required

18

to pay the higher of his/her alternative minimum tax liability or his/her "regular" income tax liability. As a result, a taxpayer has to determine his potential liability under the alternative minimum tax.

NON-QUALIFIED OPTIONS

Except as noted below for corporate "insiders," with respect to Non-qualified Options: (1) no income is realized by the Optionee at the time the Option is granted, except for options which vest immediately if granted at an exercise price less than fair market value; (2) generally, at exercise, ordinary income is realized by the Optionee in an amount equal to the difference between the option price paid for the shares and the fair market value of the shares, if unrestricted, on the date of exercise, and the Optionee's employer is generally entitled to a tax deduction in the same amount subject to applicable tax

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

withholding requirements; and (3) at sale, appreciation (or depreciation) after the date of exercise is treated as either short-term or long-term capital gain (or loss) depending on how long the shares have been held.

As a result of a recent ruling by the IRS, if a granted Non-qualified Option contains an exercise price below fair market value on the date of grant, the Optionee will realize on the first date the option is exercisable ordinary income in an amount equal to the difference between the exercise price and the fair market value on the date of grant.

SPECIAL RULES APPLICABLE TO CORPORATE INSIDERS

As a result of the rules under Section 16(b) of the Exchange Act, "insiders" (as defined in the Securities Exchange Act of 1934), depending upon the particular exemption from the provisions of Section 16(b) utilized, may not receive the same tax treatment as set forth above with respect to the grant and/or exercise of options. Generally, insiders will not be subject to taxation until the expiration of any period during which they are subject to the liability provisions of Section 16(b) with respect to any particular option. Insiders should check with their own tax advisers to ascertain the appropriate tax treatment for any particular option.

BENEFITS. Inasmuch as awards to all participants under the Plan will be granted at the sole discretion of the Board of Directors or Committee, such benefits under the Plan are not determinable.

VOTE REQUIRED; RECOMMENDATION. Approval of the amendment of the Plan will require the affirmative vote of the holders of a majority of the shares of the Common Stock of the Company present, in person or by proxy, at the Annual Meeting.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE THEIR SHARES FOR THE PROPOSAL TO AMEND THE STOCK OPTION PLAN.

ITEM 3. PROPOSAL TO APPROVE AND RATIFY SERIES B PREFERRED FINANCING

The American Stock Exchange (the "AMEX") requires stockholder approval of the sale, issuance, or potential issuance in a transaction or related transactions by a listed company of shares of common stock and shares issuable upon conversion or exercise of other securities which amount to at least 20% of the then presently outstanding shares of common stock for a consideration which is less than the greater of book or market value of a share of common stock (the "20% Rule"). AMEX interprets the 20% Rule to include issuances of common stock as dividends and issuances

19

of common stock upon conversion or exercise of other securities issued in connection with a transaction.

In the Series B Preferred Financing described below the number of shares of common stock issuable upon conversion of the Series B Preferred Shares and exercise of Warrants issued to the investors and the Placement Agent and its designees represent in the aggregate 7,022,221 shares, or 26.72% of the shares of our Common Stock, outstanding on March 15, 2006, the date of the closing of the sale, on an as converted basis. The Series B Preferred Shares and the Warrants have antidilution rights which could in the future, result in the adjustment of the applicable conversion price or exercise price being less than

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

the closing sales price of a share of common stock on AMEX. Additionally, the Series B Preferred Shares accrue mandatory dividends which may be paid in shares of Common Stock, the applicable market price of which could be less than the closing sales price of a share of Common Stock on AMEX. The occurrence of either type of issuance could result in AMEX deeming the Series B Financing in violation of the 20% Rule. Accordingly, the Company is proposing that the stockholders approve and ratify the Series B Preferred Financing.

On March 15, 2006, the Company sold pursuant to a Securities Purchase Agreement (the "PURCHASE AGREEMENT") in a private placement through Indigo Securities LLC, the placement agent ("PLACEMENT AGENT"), 10,000 shares of its Series B 8% Convertible Preferred Stock, par value \$0.01 per share (the "SERIES B PREFERRED SHARES"), at a price of \$1,000 per share (the "STATED VALUE"), each share convertible, at \$2.25 of the Stated Value, into 444.4444 shares of Common Stock, or an aggregate of 4,444,444 shares of Common Stock for all 10,000 Series B Preferred Shares. Purchasers of the Series B Preferred Shares (the "INVESTORS") were issued two classes of five year warrants to purchase Common Stock (collectively, the "WARRANTS"), exercisable on or prior to March 15, 2011. Each class represents the right to purchase an aggregate of 1,111,111 shares with \$2.75 per share as the exercise price for one class and \$3.25 per share the exercise price for the other class. The Warrants provide a right of cashless exercise at any time after one year from the date of issuance of the Warrants if at the time of exercise there is no effective registration statement registering, or no current prospectus available for, the resale of the shares underlying the Warrants. The conversion rate of each share of Series B Preferred Stock and the exercise price of the Warrants are subject to adjustment for certain events, including dividends, stock splits, combinations and the sale of Common Stock or securities convertible into or exercisable for Common Stock at a price less than the then applicable conversion or exercise price. Subject to certain exceptions set forth in the Purchase Agreement, the Series B Preferred Stockholders have preemptive rights with respect to issuance of the Common Stock or securities convertible or exercisable for Common Stock, on the same terms, conditions and price provided for in such issuance. The Company has also agreed that it will not issue shares of Common Stock or securities convertible or exercisable for Common Stock, subject to specific exceptions, until 180 days after the date the initial registration statement filed by the Company pursuant to the related Registration Rights Agreement, dated as of March 15, 2006 (the "REGISTRATION RIGHTS AGREEMENT"), between the Company and the Investors, is first declared effective by the Securities and Exchange Commission (the "COMMISSION").

The Registration Rights Agreement grants the holders of Series B Preferred Shares demand and piggy-back registration rights at the Company's expense with respect to a resale of the shares of Common Stock ("REGISTRABLE SECURITIES") issuable upon conversion of the Series B Preferred Shares, upon exercise of the Warrants (including the Placement Agent's warrants) and in satisfaction of dividend obligations. A registration statement was filed by the Company on April 13, 2006 and declared effective by the Commission on April 25, 2006. If the registration statement ceases for any reason to remain continuously effective as to all Registrable Securities for which it

is required to be effective, or the investors are otherwise not permitted to utilize the prospectus therein to resell such Registrable Securities for more than 30 consecutive calendar days or more than an aggregate of 45 calendar days during any 12-month period, the Company has agreed to pay as partial liquidated damages an amount equal to 2% of the aggregate purchase price paid by such investor for any Registrable Securities then held by such investor and which may

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

not then be sold by the registration statement or under Rule 144, but such payments may not exceed 18% per Investor of the aggregate purchase price paid by such investor pursuant to the Purchase Agreement. Liquidated damages unpaid for seven days or more accrue interest at 18% per annum (or such lesser maximum amount that is permitted to be paid by applicable law), daily from the due date the obligation is incurred.

Each purchaser of the Series B Preferred Shares represented that such purchaser is an "accredited investor" and agreed that the securities issued in the private placement bear a restrictive legend against resale without registration under the Act. The Series B Preferred Shares and warrants were sold by Company pursuant to the exemption from registration afforded by Section 4(2) of the Act and Regulation D thereunder.

The gross proceeds of the sale were \$10,000,000 before payment of \$800,000 in commissions to the Placement Agent and selected dealers. The Company also paid the legal fees and expenses of counsel to the Placement Agent and \$200,000 of additional expenses. The Company issued to the Placement Agent and its designees five year warrants to purchase 355,555 shares of Common Stock with similar terms to the warrants issued to the investors except that the exercise price is \$2.25 per share.

The Series B Preferred Shares accrue dividends at the rate of 8% per annum on their \$1,000 Stated Value (increasing to 15% per annum after March 15, 2008), payable quarterly on January 1, April 1, July 1 and October 1, in cash or shares of Common Stock with each share valued at 95% of the average of the volume weighted average price ("VWAP") for the 20 consecutive trading days ending on the trading day that is immediately prior to the dividend payment date. Any dividends that are not paid within 5 trading days following a dividend payment date, shall continue to accrue and the Company is to pay a late fee at the rate of 18% per annum or the lesser rate permitted by applicable law (such fees to accrue daily, from the dividend payment date through and including the date of payment). The Company paid an aggregate of \$33,333.33 in cash in satisfaction of the first payment on April 1, 2006 of the dividend. The Company is prohibited from paying dividends on Common Stock or any other capital stock ranked junior to the Series B Preferred Shares prior to the satisfaction of the Series B Preferred Shares dividend obligation.

Upon the liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary ("LIQUIDATION"), each share of Series B Preferred Stock is entitled to a preference equal to the Stated Value, plus any accrued but unpaid dividends thereon and any other fees or liquidated damages owing thereon which preference is prior to the liquidation rights of any other capital stock ranked junior to the Series B Preferred Shares.

The holders of Series B Preferred Shares do not have any voting rights except (A) as required by law; and (B) the Company may not without the prior affirmative vote of holders of at least 70% of the then outstanding Series B Preferred Shares: (i) alter or change adversely the powers, preferences or rights given to the Series B Preferred Shares or alter or amend the Series B Preferred Certificate, (ii) authorize or create any class of stock ranking as to dividends, redemption or distribution of assets upon a Liquidation senior to or otherwise PARI PASSU with the Series B Preferred Shares, (iii) amend the certificate of incorporation, bylaws or other charter documents in

any manner that adversely affects any rights of the holders of the Series B Preferred Shares, (iv) increase the authorized number of Series B Preferred

Shares, (v) enter into any agreement with respect to any of the foregoing, (vi) other than Permitted Indebtedness (as defined) incur prior to March 16, 2009 any indebtedness for borrowed money of any kind, (vii) other than Permitted Liens (as defined), incur prior to March 16, 2009, any liens of any kind, (viii) other than as permitted by the Series B Preferred Certificate, repay or repurchase more than a DE MINIMIS number of shares of Common Stock or securities convertible or exchangeable into Common Stock, (ix) pay cash dividends or distributions on any of our securities junior to the Series B Preferred Shares or (x) enter into any agreement or understanding with respect to clauses (iii), (vi), (vii), or (viii). Notwithstanding the above, the Company may issue any security issued in connection with a Strategic Transaction (as defined) that ranks as to dividends, redemption or distribution of assets upon a liquidation PARI PASSU with or junior to the Series B Preferred Shares without the approval of holders of the then outstanding shares of Series B Preferred Shares.

The Series B Preferred Shares are to be automatically converted into Common Stock upon written notice to the holders of the Series B Preferred Shares that (i) the VWAP Common Stock for each day in a period of 20-consecutive trading days during a Threshold Period (as defined) exceeded \$5.38 (subject to adjustment), and (ii) the volume for each such day exceeded 50,000 shares (subject to adjustment for forward and reverse stock splits, recapitalizations, stock dividends and the like).

Upon the occurrence of certain Triggering Events (as defined), each Series B Preferred Share is to be redeemed for cash in an amount equal to the sum of (i) 130% of its Stated Value, (ii) all accrued but unpaid dividends thereon and (iii) all liquidated damages and other costs, expenses or amounts due in respect of the shares (the "TRIGGERING REDEMPTION AMOUNT"). If at any time the Commission, the Company's auditors, Amex (or similar trading exchange) or any other governmental or regulatory authority having jurisdiction over the Company determines that a Triggering Event for which a holder shall be entitled to a cash redemption constitutes a condition for redemption which is not solely within the control of the Company (as set forth in Item 28 of Rule 5-02 of Regulation S-X of the Securities Exchange Act of 1934, as amended), or that as a result of any such Triggering Event, the Series B Preferred Shares shall not be included in the Company's balance sheet under the heading "stockholder equity", then in lieu of a cash payment of the Triggering Redemption Amount, the Company is to satisfy its obligation by the issuance of such number of shares of Common Stock equal to the Triggering Redemption Amount divided by 85% of the average of the VWAP for the 10 consecutive trading days immediately prior to the date of the redemption.

At its option, the Company may redeem for cash not less than all of the Series B Preferred Shares outstanding, at any time after March 15, 2008 for a redemption price per share equal to (i) 150% of the Stated Value, (ii) accrued but unpaid dividends thereon and (iii) all liquidated damages and other amounts due in respect of the Series B Preferred Shares.

The Purchase Agreement provides that if the Series B Financing is not approved at this Annual Meeting, the Company is to resubmit the proposal for approval to the stockholders at a meeting to be held thereafter quarterly until the approval is obtained or there are no longer outstanding any Series B Preferred Shares. Pending such approval, the Company will not issue shares of its Common Stock upon conversion of the Series B Preferred Shares and exercise of the Warrants and Placement Agent Warrants, which exceed for all conversion and exercises 7,022,221 shares of Common Stock in the aggregate.

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

Series B Financing, the Company may not issue common stock or securities of the Company which would entitle the holder thereof to acquire at any time common stock, including, without limitation, any debt, preferred stock, rights, options, warrants or other instrument that is at any time convertible into or exercisable or exchangeable for, or otherwise entitles the holder thereof to receive, common stock at an effective price per share less than \$2.15 (other than certain exempt issuances) subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock. Furthermore, until the stockholders approve the Series B Financing, the Company is not permitted to pay dividends in shares of Common Stock if the price at which such shares are valued is less than \$2.15.

VOTE REQUIRED. Approval of the transactions contemplated by the Purchase Agreement and documents related thereto, including the issuance of the shares of Common Stock underlying the Series B Preferred Shares, Warrants and Placement Agent Warrants in an amount aggregating more than 19.99% of the 19,190,159 shares issued and outstanding on March 15, 2006 will require the affirmative vote of the holders of a majority of the shares of the Common Stock of the Company present, in person or by proxy, at the Annual Meeting. Abstentions will be included in determining the number of shares of Common Stock present or represented and entitled to vote for purposes of approval and will have the effect of votes "against" the proposal.

RECOMMENDATION. The Board of Directors believed and believes that the Series B Financing is beneficial to the Company and its stockholders and was effected on reasonable terms. The net cash proceeds of \$9,000,000 after deducting the Placement Agent's commission, expense reimbursement and allowance are being applied for general corporate purposes, principally the further development of the Company's controlled release drug technology and products. The Board of Directors also believes that the Series B Financing will assist the Company in achieving compliance by July 3, 2007, the date the Amex has set for the Company to comply with the continued listing standards of its Common Stock as to the amount of shareholders equity - at least \$4,000,000 if it has losses from continuing operation and/or net losses in three of its four most recent fiscal years or \$6,000,000 if it has losses from continuing operations and/or net losses in its five most recent fiscal years.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE PROPOSAL TO APPROVE THE SERIES B PREFERRED FINANCING TRANSACTIONS, INCLUDING THE ISSUANCE OF MORE THAN 7,022,221 SHARES OF COMMON STOCK UPON CONVERSION AND EXERCISE OF THE SERIES B PREFERRED STOCK AND WARRANTS.

ITEM 4. PROPOSAL TO RATIFY APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors, subject to stockholder approval, appointed Miller, Ellin & Co., LLP ("MILLER ELLIN") as independent auditors of the Company for its financial statements for the fiscal year ending March 31, 2006. Miller Ellin has audited the consolidated financial statements of the Company since 1997. A representative of that firm is expected to be present at the Annual Meeting, and will have an opportunity to make a statement to the stockholders and will be available to respond to appropriate questions. The ratification of the appointment will require the affirmative vote of the holders of a majority of the shares of Common Stock present, voting in person or by proxy.

Company's Certificate of Incorporation or By-laws or otherwise. If the stockholders fail to ratify the appointment, the Board of Directors will reconsider whether to retain that firm. Even if the appointment is ratified, the Board of Directors in its discretion may direct the appointment of a different independent accounting firm if the Board of Directors determines that such a change would be in the best interests of the Company and its stockholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF MILLER, ELLIN & CO., LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING MARCH 31, 2006.

The following is a description of the fees paid by the Company to Miller Ellin during the fiscal year ended March 31, 2005:
