**CAUTIONARY STATEMENT FOR PURPOSES OF THE SAFE HARBOR
PROVISIONS OF THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995**

Some statements and disclosures in this prospectus, or any accompanying prospectus supplement and the documents incorporated herein or therein by reference, are forward-looking statements. Forward-looking statements include all statements that do not relate solely to historical or current facts and can be identified by the use of words such as may, believe, will, expect, project, estimate, anticipate, plan or continue. These forward-looking statements are based on our current plans and expectations and are subject to a number of risks and uncertainties that could cause our plans and expectations, including actual results, to differ materially from the forward-looking statements. The Private Securities Litigation Reform Act of 1995, or the Litigation Reform Act, provides a safe harbor for forward-looking statements to encourage companies to provide prospective information about their companies without fear of litigation.

We would like to take advantage of the safe harbor provisions of the Litigation Reform Act in connection with the forward-looking statements included or incorporated by reference in this document. Investors are cautioned not to unduly rely on such forward-looking statements when evaluating the information presented or incorporated by reference in this document. The following important factors could cause our actual financial results to differ materially from those projected, forecasted or estimated by us in forward-looking statements:

- (a) Heightened competition from commercial clinical testing companies, and from hospitals with respect to testing for non-patients and from physicians.
- (b) Increased pricing pressure from customers and payers.
- (c) A continued weakness in economic conditions.
- (d) Impact of changes in payer mix, including any shift from fee-for-service to discounted

or capitated fee arrangements.

- (e) Adverse actions by government or other third-party payers, including healthcare reform that focuses on reducing healthcare costs but does not recognize the value and importance to healthcare of diagnostic testing, unilateral reduction of fee schedules payable to us, competitive bidding, and an increase in the practice of negotiating for exclusive arrangements that involve aggressively priced capitated or fee-for-service payments by health insurers or other payers.
- (f) The impact upon our testing volume and collected revenue or general or administrative expenses

resulting from
our compliance
with Medicare
and Medicaid
administrative
policies and
requirements
of third party
payers. These
include:

- (1) the
requirements of
Medicare
carriers to
provide
diagnosis codes
for many
commonly
ordered tests
(and the
transition to a
new coding set)
and the
possibility that
third party
payers will
increasingly
adopt similar
requirements;
- (2) continued
inconsistent
practices
among the
different local
carriers
administering
Medicare;
- (3) inability to
obtain from
patients a valid
advance
beneficiary
notice form for
tests that
cannot be
billed without
prior receipt of
the form;

- (4) increased challenges in operating as a non-contracted provider with respect to health plans;
- (5) the impact of additional or expanded limited coverage policies and limits on the allowable number of test units;
- (6) the impact of increased prior authorization programs for clinical testing; and
- (7) new rules requiring laboratory requisitions, other than electronic requisitions, to be signed by the ordering physician.
- (g) Adverse results from pending or future government investigations, lawsuits or private actions. These include, in particular, monetary damages, loss or suspension

of licenses,
and/or
suspension or
exclusion from
the Medicare
and Medicaid
programs
and/or criminal
penalties.

- (h) Failure to efficiently integrate acquired businesses and to manage the costs related to any such integration, or to retain key technical, professional or management personnel.
- (i) Denial, suspension or revocation of CLIA (Clinical Laboratory Improvement Amendments of 1988) certification or other licenses for any of our clinical laboratories under the CLIA standards, revocation or suspension of the right to bill the Medicare and Medicaid programs or other adverse regulatory actions by federal, state and local agencies.
- (j) Changes in federal, state or local laws or regulations, including changes that result in new or increased federal or state regulation of commercial clinical laboratories or tests developed by commercial clinical laboratories, including regulation of laboratory services by the U.S. Food and Drug Administration (the FDA).

- (k) Inability to achieve expected benefits from our acquisitions of other businesses.
- (l) Inability to achieve additional benefits from our Six Sigma and efficiency initiatives.
- (m) Adverse publicity and news coverage about the clinical testing industry or us.
- (n) Computer or other IT system failures that affect our ability to perform tests, report test results or properly bill customers, including potential failures resulting from the standardization of our IT systems and other system conversions, telecommunications failures, malicious human acts (such as electronic break-ins or computer viruses) or natural disasters.
- (o) Development of technologies that substantially alter the practice of clinical test medicine, including technology changes that lead to the development of more cost-effective tests such as (1)

point-of-care tests that can be performed by physicians in their offices, (2) esoteric tests that can be performed by hospitals in their own laboratories or (3) home testing that can be carried out without requiring the services of clinical laboratories.

(p) Negative developments regarding intellectual property and other property rights that could prevent, limit or interfere with our ability to develop, perform or sell our tests or operate our business. These include:

(1) Issuance of patents or other property rights to our competitors or others; and

(2) Inability to obtain or maintain adequate patent or other proprietary rights for our products and services or to successfully enforce our

proprietary
rights.

(q) Development of tests by our competitors or others which we may not be able to license, or usage of our technology or similar technologies or our trade secrets by competitors, any of which could negatively affect our competitive position.

(r) Regulatory delay or inability to commercialize newly developed or licensed products, tests or technologies or to obtain appropriate reimbursements for such tests.

(s) Impact of any national healthcare information network or the adoption of standards for health information technology interoperability that are incompatible with existing software and hardware

infrastructure
requiring
widespread
replacement of
systems and/or
software.

- (t) Inability to
promptly or
properly bill for
our services or
to obtain
appropriate
payments for
services that we
do bill.
- (u) Changes in
interest rates
and changes in
our credit
ratings from
Standard &
Poor's Rating
Services,
Moody's
Investor
Services or
Fitch Ratings
causing an
unfavorable
impact on our
cost of and
access to
capital.
- (v) Inability to hire
and retain
qualified
personnel or the
loss of the
services of one
or more of our
key senior
management
personnel.
- (w) Terrorist and
other criminal
activities,
hurricanes,

earthquakes or
other natural
disasters, and
health
pandemics,
which could
affect our
customers,
transportation or
systems, or our
facilities, and
for which
insurance may
not adequately
reimburse us.

- (x) Difficulties and
uncertainties in
the discovery,
development,
regulatory
environment
and/or
marketing of
new products or
new uses of
existing
products.

- (y) Failure to comply with the requirements of our Corporate Integrity Agreement that could subject us to suspension or termination from participation in federal healthcare programs and substantial monetary penalties.
- (z) Failure to adapt to changes in the healthcare system and healthcare delivery stemming from 2010 federal healthcare reform legislation.

USE OF PROCEEDS

Except as may be described otherwise in a prospectus supplement or pricing supplement, we will add the net proceeds from the sale of the securities under this prospectus to our general funds and will use them for general corporate purposes, which may include, among other things, funding acquisitions or reducing or refinancing indebtedness.

RATIO OF EARNINGS TO FIXED CHARGES

Set forth below is information concerning the historical ratio of earnings to fixed charges for Quest Diagnostics. This ratio shows the extent to which our business generates enough earnings after the payment of all expenses other than interest to make required interest payments on our debt.

For this purpose, earnings consist of pretax income from continuing operations plus fixed charges. Fixed charges consist of interest expense and one-third of rental expense, representing that portion of rental expense we deemed representative of an appropriate interest factor.

SECURITIES WE MAY ISSUE

Overview

This prospectus is part of a registration statement that we filed with the SEC utilizing a shelf registration process. Under this shelf process, we may sell our senior debt securities, or guarantees of our debt securities, in one or more offerings.

The terms of the securities will be determined at the time of offering.

We will refer to the debt securities and the guarantees of the debt securities or any combination of those securities, proposed to be sold under this prospectus and the applicable prospectus supplement or pricing supplement as the securities.

Because we are a well-known seasoned issuer, as defined in Rule 405 of the Securities Act of 1933, as amended, we may add to and offer additional securities including secondary securities and guarantees of securities by filing a prospectus supplement or term sheet with the SEC at the time of the offer.

Prospectus Supplement or Pricing Supplement

This prospectus provides you with a general description of the securities we may offer. Each time we sell securities, we will provide a prospectus supplement or pricing supplement that will contain specific information about the terms of that offering. The prospectus supplement or pricing supplement may also add to or change information contained in this prospectus. If so, the prospectus supplement or pricing supplement should be read as superseding this prospectus. You should read both this prospectus and any prospectus supplement or pricing supplement together with additional information described under the heading **Where You Can Find More Information**.

The prospectus supplement or pricing supplement to be provided with this prospectus will describe the terms of any securities that we offer and any initial offering price to the public in that offering, the purchase price and net proceeds that we will receive and the other specific terms related to our offering of the securities. For more details on the terms of the securities, you should read the exhibits filed with or incorporated by reference in our registration statement, of which this prospectus is a part.

**DESCRIPTION OF SENIOR DEBT SECURITIES
AND GUARANTEES OF SENIOR DEBT SECURITIES**

We may issue senior debt securities from time to time in one or more distinct series. We may also issue guarantees of our senior debt securities from time to time.

As required by U.S. federal law for all bonds and notes of companies that are publicly offered, the senior debt securities will be governed by a document called an indenture. An indenture is a contract between us and a financial institution, in this case, The Bank of New York Mellon, formerly known as The Bank of New York, acting as trustee on your behalf, or other trustee we may select. The indenture will be subject to and governed by the Trust Indenture Act of 1939.

We have filed the indenture as an exhibit to our Securities Act filings and Exchange Act reports that we have filed with the SEC. See [Where You Can Find More Information](#) for information on how to obtain a copy of the indenture.

PLAN OF DISTRIBUTION

We may sell the securities to or through agents or underwriters or directly to one or more purchasers.

By Agents

We may use agents to sell the securities. The agents will agree to use their reasonable best efforts to solicit purchases of the period of their appointment.

By Underwriters

We may sell the securities to underwriters. The underwriters may resell the securities in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The obligations of the underwriters to purchase the securities will be subject to certain conditions. Each underwriter will be obligated to purchase all the securities allocated to it under the underwriting agreement. The underwriters may change any initial public offering price and any discounts or concessions they give to dealers.

Direct Sales

We may sell securities directly to investors. In this case, no underwriters or agents would be involved.

As one of the means of direct issuance of securities, we may utilize the services of any available electronic auction system to conduct an electronic dutch auction of the offered securities among potential purchasers who are eligible to participate in the auction of those offered securities, if so described in the prospectus supplement or pricing supplement.

General Information

Any underwriters or agents will be identified and their compensation described in a prospectus supplement or pricing supplement.

We may have agreements with the underwriters, dealers and agents to indemnify them against certain civil liabilities, including liabilities under the Securities Act or to contribute to payments they may be required to make.

Underwriters, dealers and agents may engage in transactions with, or perform services for, us or our subsidiaries in the ordinary course of their business.

LEGAL MATTERS

The validity of any securities issued hereunder will be passed upon for our company by Shearman & Sterling LLP, New York, New York.

* Deferred in accordance with Rules 456(b) and 457(r) of the Securities Act of 1933.

Item 15. Indemnification of Directors and Officers.***Limitation on Liability of Directors***

Pursuant to authority conferred by Section 102 of the Delaware General Corporation Law (the "DGCL"), Paragraph 11 of our certificate of incorporation (the "Certificate") eliminates the personal liability of directors to us or our stockholders for monetary damages for breach of fiduciary duty, including, without limitation, directors serving on committees of our board of directors. Directors remain liable for (1) any breach of the duty of loyalty to us or our stockholders, (2) any act or omission not in good faith or which involves intentional misconduct or a knowing violation of law, (3) any violation of Section 174 of the DGCL, which proscribes the payment of dividends and stock purchases or redemptions under certain circumstances, and (4) any transaction from which directors derive an improper personal benefit.

Indemnification and Insurance

In accordance with Section 145 of the DGCL, which provides for the indemnification of directors, officers and employees under certain circumstances, Section 7.01 of our By-Laws and Section 11 of our Certificate each grant our directors and officers a right to indemnification, to the fullest extent authorized by the DGCL, as the same exists or may hereafter be amended (but in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment) for all expenses, liabilities and losses reasonably incurred by each director or officer who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative proceedings to which they are a party (1) by reason of the fact that they are or were our directors or officers or (2) by reason of the fact that, while they are or were our directors or officers, they are or were serving at our request as directors or officers of another corporation, partnership, joint venture, trust or enterprise including service with respect to employee benefit plans, and such indemnification shall continue as to former directors and officers and shall inure to the benefit of such directors and officers heirs, executors and administrators; provided, however, that, the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by the person seeking indemnification only if such proceeding (or part thereof) was authorized by the Board of Directors of the Corporation.

Each of the By-Laws and the Certificate further provides for the mandatory advancement of expenses incurred by officers and directors in defending such proceedings in advance of their final disposition upon delivery to us by the indemnitee of an undertaking to repay all amounts so advanced if it is ultimately determined that such indemnitee is not entitled to be indemnified. We may not indemnify or make advance payments to any person in connection with proceedings initiated against us by such person without the authorization of our board of directors.

In addition, Paragraph 11 of the Certificate provides that directors and officers therein described shall be indemnified to the fullest extent permitted by Section 145 of the DGCL, or any successor provisions or amendments thereunder.

In the event that any such successor provisions or amendments provide indemnification rights broader than permitted prior thereto, Paragraph 11 of the Certificate allows such broader indemnification rights to apply retroactively with respect to any predating alleged action or inaction and also allows the indemnification to continue after an indemnitee has ceased to be our director or officer and to inure to the benefit of the indemnitee's heirs, executors and administrators.

Each of the By-Laws and the Certificate further provides that the right to indemnification is not exclusive of any other right that any indemnitee may have or thereafter acquire under any statute, the Certificate, any agreement or vote of stockholders or disinterested directors or otherwise, and allows us to indemnify and advance expenses to any person whom the corporation has the power to indemnify under the DGCL or otherwise.

Our By-Laws further provide that should any repeal or modification of any of the provisions of Section 7.01 occur, such changes would not adversely affect any right or protection of any director, officer or other person in respect of any proceeding arising out of, or related to, any act or omission occurring prior to the time of such repeal or modification.

The form of underwriting agreement to be filed as Exhibit 1.1 hereto will provide for the indemnification of the registrant, its controlling persons, its directors and certain of its officers by the underwriters against certain liabilities, including liabilities under the Securities Act.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted for directors and officers and controlling persons pursuant to the foregoing provisions, we have been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Each of the By-Laws and the Certificate authorizes us to purchase insurance for our directors and officers and persons who serve at our request as directors, officers, employees or agents of another corporation, partnership, joint venture, trust or enterprise against any expense, liability or loss incurred in such capacity, whether or not we would have the power to indemnify such persons against such expense or liability under the DGCL. We intend to maintain insurance coverage of our officers and directors as well as insurance coverage to reimburse us for potential costs of our corporate indemnification of directors and officers.

Pursuant to an Amended and Restated Employment Agreement, dated as of November 7, 2008, the Corporation is required to indemnify (including advancement of expenses) Surya N. Mohapatra to the full extent permitted by law and the Corporation's By-laws, and to include him as an insured person under the Corporation's directors' and officers' liability insurance policy.

Item 16. Exhibits and Financial Statements Schedules.

The exhibits to this registration statement are listed in the Exhibit Index to this registration statement, which Exhibit Index is hereby incorporated by reference.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;

(2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(4) that, for the purpose of determining any liability under the Securities Act of 1933 to any purchaser:

(i) each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10 (a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the

registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date;

(5) that, for the purpose of determining liability of a registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) any preliminary prospectus or prospectus of an undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by an undersigned registrant;

(iii) the portion of any other free writing prospectus relating to the offering containing material information about an undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions set forth in response to Item 15, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Trust Indenture Act.
