Item 1. Security and Issuer

This statement relates to shares of Common Stock (the "Stock") of **SmartPros Ltd.** (the "Issuer"). The principal executive office of the Issuer is located at **12 Skyline Drive, Hawthorne, NY 10532.**

Item 2. Identity and Background

The persons filing this statement and the persons enumerated in Instruction C of Schedule 13D and, where applicable, their respective places of organization, general partners, directors, executive officers and controlling persons, and the information regarding them, are as follows:

(a) **Peter E. St. Geme** (the "Filer" or the "Reporting Person" or "St. Geme").

(b) The business address of the Filer is **580 California Street, Suite 517, San Francisco, CA 94104.**

(c) Present principal occupation or employment of the Filer and the name, principal business and address of any corporation or other organization in which such employment is conducted:

St. Geme is a private investor.

(d) During the last five years, the Filer has not been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the last five years, the Filer was not a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) The Filer is a citizen of the United States.

Item 3. Source and Amount of Funds or Other Consideration

The source and amount of funds used in purchasing the Stock were as follows:

Purchaser	Source of Funds	Amount
St. Geme	PF	\$482,600

Item 4. Purpose of Transaction

The Reporting Person acquired his position in the Shares because he believed that the Shares were undervalued. The Reporting Person believes that it is likely by December 31, 2007, the Issuer will have approximately \$10 million in cash and essentially no debt which is an excessive situation relative to the Issuer's current market valuation of approximately \$29 million. The Reporting Person believes it is likely that a strategic acquirer could utilize greater resources and market presence than the Issuer to advantage the Issuer's innovative offerings as well as chronically over capitalized balance sheet and thereby profit from higher revenue growth and the elimination of duplicative costs. The Reporting Person believes the learning solutions industry is fragmented and ripe for consolidation, especially for smaller capitalized companies such as the Issuer. In light of these beliefs, the Reporting Person believes that a sale of the Issuer to a strategic acquirer will likely enhance the valuation of the Issuer. In addition, the Reporting Person has been disappointed that the Issuer has not been more proactive in reducing its overcapitalized balance sheet. For example, for approximately a year through November 1, 2007, the Issuer has had in place a \$750,000 share buy back program, yet the Issuer did not buy back a single share even during periods of time where the Issuer's enterprise value was trading at a discount to its trailing twelve months of revenue. The Issuer is profitable and is generating an operating cash flow to enterprise value yield well in excess of 10%. The Reporting Person may seek to meet with management of the Issuer to discuss the potential for such a transaction, as well as the Issuer's business and operations generally. The Reporting Person may also discuss these matters with other large holders of the Shares as well as potential large holders.

The Reporting Person may, from time to time and at any time, acquire additional Shares in the open market or otherwise and reserve the right to dispose of any or all of his Shares in the open market or otherwise, at any time and from time to time, and to engage in any hedging or similar transactions with respect to the Shares.
