Merger Sub has no operations and was incorporated solely for the purpose of the Offer and the Merger (as defined below).

- d. During the last five years, neither Quest Diagnostics nor Merger Sub has been convicted in any criminal proceeding.
- e. During the last five years, neither Quest Diagnostics nor Merger Sub has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction, as a result of which proceeding it is or was subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

On April 2, 2002, Quest Diagnostics, Merger Sub and the Issuer entered into an Agreement and Plan of Merger (the "Merger Agreement") under which Merger Sub will commence an exchange offer (the "Offer") to acquire all of the outstanding shares of Common Stock. In the Offer, the Issuer's stockholders may elect to receive \$26.50 in cash, or 0.3256 of a share of Quest Diagnostics common stock, in exchange for each of their shares of Common Stock. However, the aggregate cash consideration payable to the Issuer's stockholders will be limited to 30% of the total consideration payable for all of the shares of Common Stock in the Offer and the Merger. After completion of the Offer, Quest Diagnostics intends to effect a merger of the Issuer with Merger Sub (the "Merger"). At the effective time of the Merger, each outstanding share of Common Stock not acquired in the Offer will be converted into 0.3256 of a share of Quest Diagnostics common stock.

The Offer is not conditioned upon any financing arrangements. Assuming the Issuer's stockholders elect to receive 30% of the offer consideration in the

Edgar Filing: UNILAB CORP /DE/ - Form SC 13D

form of cash, Quest Diagnostics expects to pay approximately \$295 million in cash to the Issuer's stockholders in connection with the Offer and the Merger. As described in the immediately preceding paragraph, the remaining portion of the consideration payable to the Issuer's stockholders in the Offer and the Merger will be paid in the form of shares of Quest Diagnostics common stock. Pursuant to a commitment letter dated March 27, 2002, each of Bank of America, N.A. and Merrill Lynch Capital Corporation have agreed to lend Quest Diagnostics \$275 million as part of a \$550 million bridge loan facility that will be provided to Quest Diagnostics in connection with the Offer and the Merger. The bridge loan facility will contain customary terms and conditions, including, without limitation, with respect to fees, indemnification and events of default. Quest Diagnostics expects to use a portion of the proceeds of the bridge loan facility to pay the cash consideration and the fees and expenses of the Offer and the Merger.

Concurrently upon entering into the Merger Agreement, on April 2, 2002, Quest Diagnostics and Merger Sub entered into a Stockholders Agreement (the "Stockholders Agreement") with Kelso Investment Associates VI, L.P., a Delaware limited partnership ("LP"), and KEP VI, LLC., a Delaware limited liability company ("LLC" and, together with LP, "Kelso"). Certain terms of the Stockholders Agreement are summarized in Item 4 below.

References to, and descriptions of, the Offer, the Merger, the Merger Agreement, the Stockholders Agreement, the commitment letter and the bridge loan facility as set forth above in this Item 3 are qualified in their entirety by reference to the copies of the Merger Agreement, the Stockholders Agreement and the commitment letter, respectively, included as Exhibits 2.1, 99.2 and 99.4 to this Statement, and incorporated in this Item 3 in their entirety where such references and descriptions appear.

Item 4. Purpose of Transaction.

(a) - (b) As described in Item 3 above, pursuant to the Merger Agreement, Merger Sub shall commence the Offer to acquire all of the outstanding shares of Common Stock. The

5

purpose of the Offer is for Quest Diagnostics to acquire control of, and ultimately the entire common equity interest in, the Issuer. Upon completion of the Offer, Quest Diagnostics shall cause Merger Sub to be merged with the Issuer. The purpose of the Merger is for Quest Diagnostics to acquire all of the shares of Common Stock that are not exchanged in the Offer.

As an inducement for Quest Diagnostics and Merger Sub to enter into the Merger Agreement and as a condition thereof, Kelso entered into the Stockholders Agreement. Under the Stockholders Agreement, Kelso has agreed, among other things, to:

- (i) promptly tender into the Offer, and not withdraw, all of the shares of Common Stock held by Kelso;
- (ii) vote all of the shares of Common Stock held by Kelso at any meeting of the Issuer's stockholders, or in any action by consent of the Issuer's stockholders, in favor of adoption of the Merger Agreement and the

Edgar Filing: UNILAB CORP /DE/ - Form SC 13D

transactions contemplated thereby and against any action that could reasonably be expected to adversely affect the Offer or the Merger;

- (iii) in the event of a failure by Kelso to comply with its obligations described in clause (ii) above, grant an irrevocable proxy to Quest Diagnostics to vote all of the shares of Common Stock held by Kelso at any meeting of the Issuer's stockholders, or in any action by consent of the Issuer's stockholders, in favor of adoption of the Merger Agreement and the transactions contemplated thereby and against any action that could reasonably be expected to adversely affect the Offer or the Merger;
- (iv) in the event the Merger Agreement is terminated in certain circumstances, sell to Quest Diagnostics all of the shares of Common Stock held by Kelso for a per share purchase price of \$26.50; and
- (v) not sell, transfer or tender (except pursuant to the Offer) any of the shares of Common Stock held by Kelso until the earlier of the effective time of the Merger or the close of business on the 45th day after the termination of the Merger Agreement.

Each of the foregoing covenants is also applicable to any shares of Common Stock acquired by Kelso after April 2, 2002.

- (c) Not applicable.

(d) Upon the purchase by Merger Sub of shares of Common Stock pursuant to the Offer, Quest Diagnostics shall be entitled to designate the number of directors, rounded up to the next whole number, on the Issuer's Board of Directors (the "Board") equal to the product of the total number of directors on the Board (giving effect to the directors elected pursuant to Section 2.03 of the Merger Agreement) multiplied by the percentage that the number of shares of Common Stock beneficially owned by Quest Diagnostics and Merger Sub (following such

purchase) bears to the total number of shares of Common Stock then outstanding. In the Merger Agreement, the Issuer has agreed that, at such time, it shall take all actions necessary to cause Quest Diagnostics' designees to be elected as directors of the Issuer, including increasing the size of the Board and securing the resignations of incumbent directors. The Merger Agreement also provides that, at such time, the Issuer shall use its best efforts to cause persons designated by Quest Diagnostics to constitute the number of members, rounded up to the next whole number, on (a) each committee of the Board, (b) each board of directors of each subsidiary of the Issuer, and (c) each committee of each such board that represents the same percentage as such individuals represent on the Board, in each case only to the extent permitted by applicable law. Notwithstanding the foregoing, until the effective time of the Merger, the Board shall have at least two directors who were directors of the Issuer on the date of the Merger Agreement.

Edgar Filing: UNILAB CORP /DE/ - Form SC 13D

Upon consummation of the Merger, the directors of Merger Sub shall become the directors of the surviving corporation. At the effective time of the Merger, the officers of the Issuer immediately prior to the effective time of the Merger shall be the officers of the surviving corporation, until their respective successors are duly elected or appointed and qualified.

(e) None, other than the change in the number of outstanding shares of Common Stock as contemplated by the Merger Agreement.

(f) Not applicable.

(g) If the Merger of the Issuer with and into Merger Sub is consummated as planned, the certificate of incorporation and by-laws of Merger Sub shall be the certificate of incorporation and by-laws of the surviving corporation resulting from the Merger.

(h) If the Merger is consummated as planned, the Common Stock will cease to be authorized to be listed on the Nasdaq National Market or any other quotation system or exchange.

(i) If the Merger is consummated as planned, the Common Stock will be deregistered pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended.

(j) Other than as described above, the Filing Persons currently have no plan or proposal which relates to, or may result in, any of the matters listed in Items 4(a)-(i) of this Statement (although the Filing Persons reserve the right to develop such plans).

References to, and descriptions of, the Offer, the Merger, the Merger Agreement and the Stockholders Agreement as set forth above in this Item 4 are qualified in their entirety by reference to the copies of the Merger Agreement and the Stockholders Agreement, respectively, included as Exhibits 2.1 and 99.2 to this Statement, and incorporated in this Item 4 in their entirety where such references and descriptions appear.

Item 5. Interest in Securities of the Issuer.

(a)-(b) As a result of the Stockholders Agreement, the Filing Persons may be deemed to be the beneficial owner of 13,841,178 shares of Common Stock, representing 41.33% of the outstanding shares of Common Stock. The calculation of the foregoing percentage is based on the number of shares of Common Stock outstanding as of March 25, 2002, as represented and warranted by the Issuer in the Merger Agreement. The Filing Persons may be deemed to have shared power to vote such shares of Common Stock with respect to the limited matters described in clauses (a) and (b) of Item 4 above. However, the Filing Persons (i) are not entitled to any rights as a stockholder of the Issuer with respect to such shares of Common Stock and (ii) disclaim any beneficial ownership of the shares of Common Stock that are covered by the Stockholders Agreement. The Filing Person do not have the power to dispose of such shares of Common Stock.

Edgar Filing: UNILAB CORP /DE/ - Form SC 13D

Except as set forth herein, to the knowledge of the Filing Persons, no director or executive officer of the Filing Persons beneficially owns any shares of Common Stock.

(c) The Filing Persons have not effected any transaction in the shares of Common Stock during the past sixty days. To the knowledge of the Filing Persons, no person named in either Schedule I or Schedule II has effected any transaction in the shares of Common Stock during the past sixty days.

(d) To the knowledge of the Filing Persons, Kelso has the right to receive, or the power to direct the receipt of, dividends in respect of its shares of Common Stock. Other than as a result of the restrictions on transfer described under Item 4(a)-(b) above, which restrictions preclude the sale, transfer or tender of the shares of Common Stock held by Kelso until the earlier of the effective time of the Merger or the close of business on the 45th day after the termination of the Merger Agreement, to the knowledge of the Filing Persons, Kelso has the power to direct the proceeds from the sale of such shares of Common Stock.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understanding or Relationships With Respect to Securities of the Issuer.

Other than the Merger Agreement and the Stockholders Agreement, to the knowledge of the Filing Persons, there are no contracts, arrangements, understandings or relationships among the persons named in Item 2 and between such persons and any person with respect to any securities of the Issuer, including but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangement, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
