  - Pre-commencement communications pursuant to Rule 13e4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

**Section 1 Registrant's Business and Operations**

**Item 1.01. Entry into a Material Definitive Agreement.**

On September 18, 2008, American International Group, Inc. ( AIG ) made a filing on Form 8-K with respect to a revolving credit facility with the Federal Reserve Bank of New York ( NY Fed ).

This Form 8-K/A filing corrects certain errors in, and supersedes, yesterday's filing.

The summary of terms of the revolving credit facility provides that AIG may borrow up to \$85 billion from the NY Fed. AIG's borrowings under the revolving credit facility will bear interest, for each day, at a rate per annum equal to three-month Libor plus 8.50%. The revolving credit facility will have a 24-month term and will be secured by a pledge of assets of AIG and various subsidiaries. The revolving credit facility will contain affirmative and negative covenants, including a covenant to pay down the facility with the proceeds of asset sales.

The summary of terms also provides for a 79.9% equity interest in AIG. The corporate approvals and formalities necessary to create this equity interest will depend upon its form.

A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K/A and is incorporated by reference herein.
