Table of Contents

Item 1.01. Entry into a Material Definitive Agreement.

On June 12, 2009 Cornerstone Therapeutics Inc. (the Company) entered into a letter amendment with Jagotec AG, a subsidiary of SkyePharma PLC (the Letter Amendment), which amends the manufacturing and supply agreement the parties entered into on August 20, 2007 (the Manufacturing and Supply Agreement). Under the Manufacturing and Supply Agreement, Jagotec supplies bulk uncoated tablets of twice-daily ZYFLO CR® (zileuton) extended-release tablets (ZYFLO CR) to the Company for commercial sale.

The Letter Amendment adjusts the pricing terms the Company is obligated to pay Jagotec for the delivery of ZYFLO CR. All other terms of the Manufacturing and Supply Agreement remain in full force and effect.

In addition to the Manufacturing and Supply Agreement, in December 2003, the Company acquired an exclusive worldwide license to the patent rights and know-how to develop, make, use and sell controlled-release and injectable formulations of zileuton for all clinical indications, except for the treatment of children under age seven and use in cardiovascular and vascular devices, originally developed by Jagotec, which Jagotec licensed to, and which are controlled by, Abbott Laboratories (Abbott). Jagotec consented to Abbott s sublicense of these rights to the Company.

A copy of the Letter Amendment is attached as Exhibit 10.1 to this Current Report on Form 8-K, and the Company refers you to such exhibit for the complete terms of the Letter Amendment, which are incorporated herein by reference.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On June 12, 2009, the Company, through its indirect wholly owned subsidiary Cornerstone BioPharma, Inc., entered into amendments to the executive employment agreements with each of Brian Dickson, M.D., the Company s Chief Medical Officer, and Steven Lutz, the Company s Executive Vice President, Manufacturing and Trade, and, on June 18, 2009, entered into an amendment to the executive retention agreement with Craig A. Collard, the Company s President and Chief Executive Officer. These amendments clarify that, in the event of a change in control of the Company, any unvested rights that Dr. Dickson, Mr. Lutz or Mr. Collard has in Company stock, stock options, benefits or otherwise that are currently unvested and would have become vested through the passage of time will immediately vest. Each of the amendments defines a change in control as the acquisition of greater than 50% of the beneficial ownership of the Company by an unrelated third party.

On June 12, 2009, the Company, through its wholly owned subsidiary Cornerstone BioPharma Holdings, Inc., entered into an amendment to the amended and restated restricted stock agreement with David Price, the Company s Executive Vice President, Finance, Chief Financial Officer, Treasurer and Assistant Secretary. The amendment revises the definition of Change in Control Event included therein to include any acquisition of greater than 50% of the beneficial ownership of the Company by an unrelated third party.

Copies of the amendments are attached as Exhibits 10.2, 10.3, 10.4 and 10.5 to this Current Report on Form 8-K, and the Company refers you to such exhibits for the complete terms of the amendments, which are incorporated herein by reference.
