GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why did you send me this proxy statement?

We sent you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote at the Annual Meeting. This proxy statement summarizes the information you need to know to vote at the Annual Meeting on January 27, 2005, and at any adjournment of the meeting, for the purposes indicated in the accompanying Notice of Annual Meeting of Stockholders. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

This proxy statement and the accompanying proxy card will be mailed to stockholders on or about December 29, 2004.

Who can vote?

You can vote your shares of common stock if our records show that you owned the shares at the close of business on December 6, 2004. A total of 12,697,872 shares of common stock can vote at the Annual Meeting. You get one vote for each share of common stock you own.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the Annual Meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. The proxyholders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on a proposal, the proxyholders will vote for you on that proposal. Unless you instruct otherwise, the proxyholders will vote FOR the election as directors of the nominees named herein, each to serve for a term of one year, or until their successors are duly elected and qualified, FOR the ratification of the selection of Salberg & Company P.A. as our independent auditor and will use their judgment to vote FOR or AGAINST any other proposals to be considered at the Annual Meeting.

What if other matters come up at the Annual Meeting?

The matters described in this proxy statement are the only matters we know will be voted on at the Annual Meeting. If other matters are properly presented at the meeting, the proxyholders will vote your shares as they see fit.

Can I change my vote after I return my proxy card?

Yes. At any time before the vote on a proposal, you can change your vote either by giving our corporate secretary a written notice revoking your proxy card, or by signing, dating and returning to us a new proxy card, or by attending the Annual Meeting and voting in person. We will honor the proxy card with the latest date.

Can I vote in person at the Annual Meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the Annual Meeting and vote your shares in person.

Table of Contents

What do I do if my shares are held in street name ?

If your shares are held in the name of your broker or other nominee, that party should give you instructions for voting your shares.

How are votes counted?

We will hold the Annual Meeting if holders of a majority of the shares of common stock entitled to vote either sign and return their proxy cards or attend the Annual Meeting. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card. A majority of the outstanding shares will constitute a quorum at the meeting.

Who will count the votes?

American Stock Transfer & Trust Company, our transfer agent, will tabulate the returned proxy votes by mail. An officer of our company will serve as the election inspector and will tabulate the votes at the meeting. The election inspector will treat shares represented by properly signed and returned proxies that reflect abstentions from voting as shares that are present and entitled to vote for purposes of determining the presence of a quorum on all matters.

Who pays for this proxy solicitation?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, or in person. None of these employees will receive any extra compensation for doing this. We may request persons holding shares in their names for others to forward soliciting materials to our principals to obtain authorization for the execution of proxies, and we will reimburse such persons for their expenses in so doing.

Who can help answer my questions?

If you have any questions concerning any proposal or the Annual Meeting, or if you would like additional copies of the proxy statement or if you will need special assistance at the meeting, please call Steven Bettinger, our Chief Executive Officer, at (561) 994-4446.

You are requested, regardless of the number of shares you hold, to sign the attached proxy card and return it promptly in the enclosed envelope.

The summary information provided above in question and answer format is merely a brief description of material information contained in this proxy statement.

PROPOSAL 1

ELECTION OF DIRECTORS

General

Our Board of Directors has recommended and nominated each of the individuals listed below for election to our Board of Directors at the Annual Meeting. Each duly elected director will hold office until his death, resignation, retirement, removal, disqualification, or until his successor shall have been elected and qualified. The nominees for director named in this Proposal 1 must receive a plurality of the votes cast in person or by proxy in order to be elected. Stockholders may vote in favor of all the nominees or may withhold their vote from any or all nominees. Votes that are withheld with respect to this matter will be excluded entirely from the vote and will have no effect, other than for purposes of determining the presence of a quorum. Brokers that do not receive instructions are entitled to vote those shares with respect to the election of directors.

Unless otherwise instructed or unless authority to vote is withheld, the enclosed proxy will be voted for the election of the nominees listed below. Although our Board of Directors does not contemplate that the nominees will be unable to serve, if such a situation arises prior to the Annual Meeting, the persons named in the enclosed proxy will vote for the election of such other person(s) as may be nominated by the Board of Directors.

The Board of Directors unanimously recommends a vote FOR the election of the nominees listed below.

There were no related party transactions during the past two fiscal years.

INFORMATION CONCERNING THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Board of Directors took action at Board meetings or by unanimous written consent five times during the fiscal year ended June 30, 2004. All directors were present for at least 95% of the Board of Directors meetings or unanimous written consents.

The sole committee of the Board of Directors is the audit committee, consisting of Jack Phelan and Andrew Lockwood, each of whom is independent as defined and required by the rules of the AMEX. Our Board of Directors has determined that Jack Phelan is also an audit committee financial expert as defined by the rules promulgated by the SEC.

The audit committee generally has responsibility for appointing, overseeing, and determining the compensation of our independent auditor, reviewing the plan and scope of the auditor's audit, reviewing our audit and control functions, approving all permitted non-audit services provided by our independent auditor, and reporting to our full Board of Directors regarding all of the foregoing. The audit committee meets with the independent auditor and our management in connection with its review and approval of (i) the unaudited financial statements for inclusion in our quarterly reports on Form 10-QSB and (ii) the annual audited financial statements for inclusion in our Annual Report on Form 10-KSB. Additionally, the audit committee provides our Board of Directors with such additional information and materials as it may deem necessary to make our Board of Directors aware of significant financial matters that require its attention. The audit committee's goals and responsibilities are set forth in an audit committee charter, a copy of which is attached as Annex A. The Audit Committee held one meeting during the fiscal year ended June 30, 2004 and each member attended the meeting. The Audit Committee Report is set forth below.

We do not have a compensation committee or a nominating committee. Decisions concerning executive officer compensation for 2004 were made by the full Board of Directors. Mr. Bettinger is the only director who is also an officer.

We do not have a nominating committee because we believe that as a small business issuer, it is not necessary for us to have a separate nominating committee. Rather, the full Board of Directors participates in the consideration of director nominees. At this time the Board of Directors does not have a policy with regard to the consideration of any director candidates recommended by stockholders because historically we have not received recommendations from our stockholders and the costs of establishing and maintaining procedures for the consideration of stockholder nominations would be overly burdensome.

In making its nominations, the Board of Directors identifies candidates who meet the current challenges and needs of the Board of Directors. In determining whether it is appropriate to add or remove

Table of Contents

individuals, the Board of Directors will consider issues of judgment, diversity, age, skills, background and experience. In making such decisions, the Board of Directors considers, among other things, an individual's business experience, industry experience, financial background and experiences. The Board of Directors uses multiple sources for identifying and evaluating nominees for Directors including referrals from current directors and input from third party executive search firms.

All of the nominees are currently serving as members of our Board of Directors.

Report of the Audit Committee

The audit committee has reviewed and discussed the audited financial statements with management and the independent auditors. In fulfilling its responsibilities, the audit committee discussed with the independent auditors the matters that are required to be discussed by Statement on Auditing Standards No. 61. In addition, the audit committee received from the independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1, and the audit committee discussed with the independent auditors that firm's independence.

Based upon the audit committee's discussions with management and the independent auditors and the audit committee's review of the representations of management and the report and letter of the independent auditors provided to the audit committee, the audit committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-KSB for the fiscal year ended June 30, 2004 for filing with the SEC.

Respectfully Submitted:

Jack Phelan
Andrew Lockwood

Family Relationships

There is no family relationship between or among any of our directors and executive officers.

Code of Ethics

We have adopted a Code of Ethics that applies to all of our employees, officers and directors, including our Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer and Controller. The Code of Ethics is located on our internet web site at www.cenuco.com under Investor Relations.

Compliance with Section 16(a) of the Securities Exchange Act Of 1934

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own beneficially more than ten percent of our common stock, to file reports of their stock ownership and changes of their stock ownership with the SEC. Based solely on the reports we have received and on written representations from these reporting persons, we believe that our directors, executive officers, and our ten percent stockholders have complied with Section 16(a) of the Securities Exchange Act of 1933.

Director Compensation

We do not currently pay any cash directors' fees, but we pay the expenses of our directors in attending board meetings. For the fiscal year ended June 30, 2004, options and/or other equity grants to directors were as follows:

Jack Phelan and Andrew Lockwood Each received 27,500 shares of common stock and 10,000 stock options to acquire 10,000 shares of common stock at an exercise price of \$1.15.

Employee Stock Option Plan

While we have been successful in attracting and retaining qualified personnel, we believe that our future success will depend in part on our continued ability to attract and retain highly qualified personnel. We pay wages and salaries that we believe are competitive. We also believe that equity ownership is an important factor in our ability to attract and retain skilled personnel. In 2000, we adopted the 2000 Option Plan (the "Plan"). The purpose of the Plan is to further our interests, and our subsidiaries' and stockholders' interests, by providing incentives in the form of stock options to key employees, consultants, directors and others who contribute materially to our success and profitability. The grants recognize and reward outstanding individual performances and contributions and will give such persons a proprietary interest in us, thus enhancing their personal interest in our continued success and progress. The Plan also assists us and our subsidiaries in attracting and retaining key employees and directors. The Plan is administered by the Board of Directors. The Board of Directors has the exclusive power to select the participants in the Plan, to establish the terms of the options granted to each participant, provided that all options granted shall be granted at an exercise price equal to at least 85% of the fair market value of the common stock covered by the option on the grant date and to make all determinations necessary or advisable under the Plan. The number of shares of common stock that may be issued upon the exercise of options granted under the 2000 Plan, as amended, is 3,000,000. As of June 30, 2004, options to purchase a total of 1,361,000 shares had been granted pursuant to the Plan, all of which are outstanding and 702,667 of which are exercisable.

Employment Agreement

We entered into an employment agreement with Steven Bettinger, our Chief Executive Officer, for a 24 month period ending January 1, 2003, subject to automatic renewals of 12-month terms unless terminated by us or Mr. Bettinger with 30-days prior written notice. In addition to an annual salary of up to \$250,000 for Mr. Bettinger,

PROPOSAL 2

**RATIFY THE SELECTION OF SALBERG & COMPANY, P.A. AS OUR
INDEPENDENT AUDITOR FOR THE FISCAL YEAR ENDING JUNE 30, 2005**

Grant Thornton LLP (GT), by letter dated December 10, 2003, terminated its relationship as our independent accountant. We mutually agreed to terminate this relationship with GT. GT had been our independent accountant, and audited our financial statements.

The reports of GT on our consolidated financial statements for the 2002 and 2003 fiscal years contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

Further, for the 2002 and 2003 fiscal years, there were no disagreements between us and GT on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which would have caused GT to make a reference thereto in its report on our financial statements for such period.

During the period from August 28, 2000 through December 10, 2003, there were no reportable events (as defined in Item 304 (a)(1)(v) of Regulation S-K). GT furnished the SEC with a letter stating that it agrees with the above statements. This letter was attached as an exhibit to a Form 8-K, filed with the SEC on December 19, 2003.

The Board of Directors engaged Salberg & Company, P.A. as our new independent accountants as of December 16, 2003. Prior to such date, we did not consult with Salberg & Company, P.A. regarding (i) the application of accounting principles, (ii) the type of audit opinion that might be rendered by Salberg & Company, P.A., or (iii) any other matter that was the subject of a disagreement between us and Salberg & Company, P.A. (as defined in Item 304 (a)(1)(iv) of Regulation S-B) or a reportable event (as described in Item 304 (a)(1)(v) of Regulation S-K).

The Board of Directors has selected Salberg & Company, P.A. as our independent auditor for the fiscal year ending June 30, 2005, which is the current fiscal year. The Board of Directors wishes to obtain from the stockholders a ratification of their action in appointing their existing certified public accountant, Salberg & Company, P.A., as our independent auditor for the fiscal year ending June 30, 2005. The affirmative vote of a majority of the shares of common stock present in person or by proxy and entitled to vote at the Annual Meeting is required for the approval of this Proposal 2.

In the event the appointment of Salberg & Company, P.A. as independent auditor is not ratified by the stockholders, the adverse vote will be considered as a direction to the Board of Directors to select other independent auditors for the fiscal year ending June 30, 2005. A representative of Salberg & Company, P.A. is expected to be present at the Annual Meeting with the opportunity to make a statement if he so desires and to respond to appropriate questions.

The Board of Directors unanimously recommends a vote FOR the ratification of Salberg & Company, P.A. as our independent auditor for fiscal year ending June 30, 2005.
