GENERAL**

Our board of directors is soliciting your proxy in connection with our 2005 Annual Meeting of Stockholders (the Annual Meeting), which will be held on Tuesday, May 31, 2005, at 1:00 p.m. Eastern Time, at Suite 1600, Atlanta Financial Center, 3343 Peachtree Road, N.E., Atlanta, Georgia 30326, and at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This Proxy Statement and the accompanying Notice of Annual Meeting are being first mailed to stockholders on or about May 17, 2005.

BACKGROUND

On December 15, 2004, Orion HealthCorp, Inc. (then operating under the name SurgiCare, Inc.) (the Company) underwent a restructuring (the Restructuring) whereby the Company: (i) acquired three healthcare service companies, Integrated Physician Solutions, Inc. (IPS), Medical Billing Services, Inc. (MBS) and Dennis Cain Physician Solutions, Ltd. (DCPS); (ii) issued new equity securities for cash and contribution of outstanding debt; (iii) restructured its debt facilities; (iv) completed a one-for-ten reverse stock split (the Reverse Stock Split); (v) created three new classes of common stock (Class A, Class B and Class C); and (vi) changed its name to Orion HealthCorp, Inc. As a result of the Restructuring, IPS and MBS became wholly owned subsidiaries of the Company and DCPS became a wholly owned subsidiary of MBS.

Prior to the Restructuring, the Company s common stock was traded on the American Stock Exchange (AMEX). As part of the Restructuring, (i) the Company s common stock was reclassified as Class A common stock, resulting in the Class A common stock being traded on AMEX, (ii) the Company issued additional shares of Class A common stock to the former stockholders and certain creditors of IPS, (iii) the Company issued shares of its newly created Class B common stock to certain investors, including Brantley Partners IV, L.P. (Brantley IV) and Brantley Capital Corporation (Brantley Capital), and (iv) the Company issued shares of its newly created Class C common stock to the former equity owners of MBS and DCPS. Also, as a result of the Restructuring, Brantley IV and its affiliates, Brantley Venture Partners III, L.P. (Brantley III) and Brantley Capital, own a majority of the equity securities of the Company, making the Company a controlled company under the listing rules of AMEX.

ABOUT THE MEETING

Why am I receiving this Proxy Statement and proxy card?

You are receiving a Proxy Statement and proxy card because you own shares of Class A common stock of the Company, shares of Class B common stock of the Company, and/or shares of Class C common stock of the Company (collectively, Common Stock). This Proxy Statement describes proposals on which we would like you, as a stockholder, to vote. It also gives you information on the proposals so that you can make an informed decision.

When you sign the proxy card, you appoint Terrence L. Bauer, Keith G. LeBlanc and Stephen H. Murdock, and each of them, as your proxies to vote your shares of Common Stock at the Annual Meeting and at all adjournments or postponements of the Annual Meeting. All properly executed proxy

Table of Contents

cards delivered pursuant to this solicitation and not revoked will be voted in accordance with the directions given. Other than the proposals described in this Proxy Statement, we do not know of any other matters that will be considered at the Annual Meeting. Execution of a proxy card, however, confers on the designated proxy holders discretionary authority to vote the shares represented by the proxy on other business, if any, that may properly come before the Annual Meeting or any adjournment or postponement thereof.

What am I voting on?

You are being asked to vote on the following proposals:

- Proposal I:* To elect seven directors to serve until the 2006 annual meeting of stockholders or until their successors are elected and qualified;
- Proposal II:* To ratify a March 2003 private placement of units consisting of common shares of the Company and warrants to purchase common shares;
- Proposal III:* To ratify a February 2004 issuance of common shares of the Company to consultants as compensation for services rendered; and
- Proposal IV:* To ratify the appointment of UHY Mann Frankfort Stein & Lipp CPAs, L.L.P. (UMFSL) as the Company's independent public accountants;

Who is entitled to vote?

Our board of directors has fixed the close of business on April 23, 2005, as the record date for determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. As of the record date, there were 21,724,957 shares of Common Stock outstanding that were held by approximately 252 stockholders of record, including 8,731,548 shares of our Class A common stock issued and outstanding that were held by approximately 235 stockholders of record, 11,417,649 shares of our Class B common stock issued and outstanding that were held by approximately 10 stockholders of record, and 1,575,760 shares of our Class C common stock issued and outstanding that were held by approximately 7 stockholders of record. Stockholders of record as of the close of business on the record date are entitled to one vote for each share of Common Stock (regardless of class) of the Company then held.

How many shares must be represented to have a quorum?

The holders of a majority of the total shares of our Common Stock outstanding on the record date, whether present at the Annual Meeting in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. The shares held by each stockholder who signs and returns the enclosed form of proxy card will be counted for the purposes of determining the presence of a quorum at the Annual Meeting, whether or not the stockholder abstains on all matters or any matter to be acted on at the meeting. Abstentions and broker non-votes both will be counted toward fulfillment of quorum requirements. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner. In the event there are not sufficient votes for a quorum or to approve any proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned or postponed in order to permit the further solicitation of proxies.

How many votes are required to approve the proposals?

As to the election of directors (Proposal I) the proxy being provided by the board of directors enables a stockholder to vote FOR any or all of the director nominees or WITHHOLD your vote as to any or all of the nominees. Directors are elected by a plurality of votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote in the election of directors. As a result, the seven nominees receiving the highest number of votes cast at the Annual Meeting will be elected, regardless of whether that number represents a majority of the votes cast or a majority of the total votes entitled to be

Table of Contents

cast. Thus, a WITHHELD vote will have no impact on the election of directors. Stockholders may not cumulate votes in the election of directors (Proposal I).

The affirmative vote of a majority of the total number of shares of Common Stock represented in person or by proxy at the Annual Meeting and entitled to vote is needed to approve the ratification of a March 2003 private placement of units consisting of common shares of the Company and warrants to purchase common shares (Proposal II), the ratification of a February 2004 issuance of common shares of the Company to consultants (Proposal III), and the ratification of the appointment of UMFSL as the Company's independent public accountants (Proposal IV). With respect to Proposals II, III and IV, you have the opportunity to vote FOR, AGAINST or ABSTAIN.

Abstentions and broker non-votes are not counted in the tally of votes FOR or AGAINST a proposal. As a result, abstentions and broker non-votes will have the following effects on the outcome of each of the proposals to be considered at the Annual Meeting:

With respect to Proposal I, abstentions and broker non-votes will have no impact on the outcome of the vote; and

With respect to Proposals II, III and IV, abstentions will have the same effect as a vote AGAINST the proposals.

What if I return my proxy card but do not provide voting instructions?

If you sign and return your proxy card, but do not include instructions, your proxy will be voted FOR the election of each nominee for director identified in Proposal I and FOR Proposals II, III and IV. Additionally, your proxy will be voted in the discretion of the proxies with respect to any other business that properly comes before the meeting.

Stockholders may vote part of their shares in favor of the proposals and refrain from voting the remaining shares or, except in the election of directors (Proposal I), may vote them against the proposal. If you execute a proxy card and do not specify the number of shares that you are voting affirmatively, the proxy will be voted with respect to all shares that you are entitled to vote.

What does it mean if I receive more than one proxy card?

It means that you have multiple accounts at the transfer agent and/or with brokers or that you own shares of more than one class of Common Stock. Please sign and return all proxy cards to ensure that all your shares are voted. You may wish to consolidate as many of your transfer agent or brokerage accounts as possible under the same name and address for better customer service.

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by:

Sending written notice to our corporate secretary at 1805 Old Alabama Road, Suite 350, Roswell, Georgia 30076;

Signing and returning another proxy with a later date; or

Voting in person at the meeting.

Attendance at the Annual Meeting will not, in itself, constitute revocation of a proxy.

Will my shares be voted if I do not sign and return my proxy card?

If your shares are held in street name (i.e., in the name of your brokerage firm), your brokerage firm may vote your shares under certain circumstances. These circumstances include certain routine matters, such as the election of directors (Proposal I) and the ratification of the appointment of UMFSL as the

Table of Contents

Company's independent public accountants (Proposal IV). Therefore, if you do not vote your proxy, your brokerage firm may either vote your shares on routine matters, or leave your shares unvoted. When a brokerage firm votes its customers' shares on routine matters without having received voting instructions, these shares are counted for purposes of establishing a quorum to conduct business at the meeting. Proposals II and III are not considered routine matters; therefore, a brokerage firm will not vote your shares on such proposals unless you provide them with specific voting instructions.

What happens if the Annual Meeting is postponed or adjourned?

If the Annual Meeting is postponed or adjourned for any reason, including permitting the further solicitation of proxies, at any subsequent reconvening of the meeting all proxies will be voted in the same manner as they would have been voted at the original Annual Meeting. However, as described above, you may revoke your proxy and change your vote at any time before the polls are closed at the reconvened meeting.

How do I vote?

You may vote by mail. You do this by signing your proxy card and mailing it in the enclosed, prepaid and self-addressed envelope.

You may vote in person at the meeting. Written ballots will be passed out to anyone who wants to vote at the meeting. If you hold your shares in street name (through a broker or other nominee), you must request a legal proxy from your stockbroker in order to vote at the meeting.

FORWARD LOOKING STATEMENTS

The information in this Proxy Statement contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended (the Exchange Act). Forward-looking statements include statements preceded by, followed by or that include the words may, will, would, could, should, estimates, predicts, potential, continue, strategy, believes, and intends and similar expressions. Any statements contained herein that are not statements of historical fact are deemed to be forward-looking statements.

The forward-looking statements in this Proxy Statement are based on current beliefs, estimates and assumptions concerning the operations, future results, and prospects of the Company. As actual operations and results may materially differ from those assumed in forward-looking statements, there is no assurance that forward-looking statements will prove to be accurate. Any number of factors could affect future operations and results, including, without limitation, changes in federal or state healthcare laws and regulations and third party payer requirements, changes in costs of supplies, labor and employee benefits, increases in interest rates on the Company's indebtedness as well as general market conditions, competition and pricing. The Company undertakes no obligation to update publicly any forward-looking statements, whether as a result of new information or future events.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The board of directors has set April 23, 2005, as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. Stockholders of record as of the close of business on the record date are entitled to one vote for each share of Common Stock (regardless of class) of the Company then held. As of the record date, the Company had 21,724,957 shares of Common Stock issued and outstanding, including 8,731,548 shares of Class A common stock of the Company, 11,417,649 shares of Class B common stock of the Company, and 1,575,760 shares of Class C common stock of the Company. The Amended and Restated Certificate of Incorporation of the Company (the Charter)

Table of Contents

provides that all holders of all classes of Common Stock shall vote together as a single class with respect to Proposal I, Proposal II, Proposal III and Proposal IV.

The following table sets forth certain information with respect to Common Stock beneficially owned as of March 31, 2005, by (i) each person known to us to be the beneficial owner of more than 5% of the issued and outstanding Common Stock, (ii) each of the members or nominees of the board of directors, (iii) each of the executive officers named in the summary compensation table below, and (iv) all directors and executive officers as a group. Beneficial ownership has been determined in accordance with Rule 13d-3 under the Exchange Act. Under this rule, certain shares may be deemed beneficially owned by more than one person (if, for example, persons share the power to vote or the power to dispose of the shares). In addition, shares are deemed beneficially owned by a person if the person has the right to acquire shares (for example, upon the exercise of an option or warrant) within sixty days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares is deemed to include the amount of shares beneficially owned by such person by reason of such acquisition rights. As a result, the percentage of outstanding shares of any person as shown in the following table does not necessarily reflect the person's actual voting power at any particular date. The information in the table is based on information provided to the Company by the person or group, including filings made by such person with the Securities and Exchange Commission (the "SEC"). Other than as noted below, management knows of no person or group that owns more than 5% of the outstanding shares of Common Stock at the record date.

PROPOSAL I**Election of Directors**

Our Bylaws provide that our board of directors will consist of not less than three members, the exact number to be determined by resolution adopted by our board of directors. The number of directors is currently set at seven. Directors are elected for a one-year term and hold office until the next annual meeting of stockholders and until their successors are elected and qualified. The directors are elected by plurality vote, which means that the seven director nominees receiving the highest number of affirmative votes at the Annual Meeting shall be elected to the board of directors. Votes withheld from any director are counted for purposes of determining the presence or absence of a quorum, but have no other legal effect under Delaware law.

Terrence L. Bauer, Keith G. LeBlanc, Paul H. Cascio, Michael J. Finn, David Crane, Gerald M. McIntosh, and Joseph M. Valley, Jr., were elected at the October 6, 2004 meeting of the stockholders to begin serving as directors immediately after the closing of the Restructuring until their terms expire at the Annual Meeting. Each director has been nominated for re-election to the board of directors to hold office until the 2006 annual meeting of stockholders or until a successor has been duly elected and qualified. Pursuant to the Stockholders Agreement, each of Brantley III, Brantley IV and Brantley Capital have

agreed to cast all votes necessary to elect as members of the board of directors of the Company one director that has been nominated by each of Brantley III, Brantley IV and Brantley Capital. Meetings of the board of directors

The current board of directors is comprised of seven directors, three of whom are independent as defined under the corporate governance rules of AMEX. The current board of directors held one meeting during the fiscal year ended December 31, 2004. Prior to the Restructuring, the Company s board of directors consisted of Bruce Miller, Michael A. Mineo, Sherman Nagler and Jeffrey J. Penso, who held two meetings and acted pursuant to written consent on eight occasions during the fiscal year ended December 31, 2004. During fiscal year 2004, each incumbent director attended at least seventy-five percent

Table of Contents

of the aggregate of (1) the total number of meetings of the board of directors and (2) the total number of meetings held by all committees of the board of directors on which he served.

In compliance with the AMEX corporate governance rules, the independent members of the board of directors will at least annually schedule an executive session without the non-independent directors or management.

Communications with Directors

The board of directors provides that a stockholder may send written communications to the board or any of the individual directors by addressing such written communication to the Secretary, Orion HealthCorp, Inc., 1805 Old Alabama Road, Suite 350, Roswell, Georgia, 30076. All communications will be compiled by the Secretary of the Company and submitted to the board or the individual directors on a periodic basis.

Director Attendance at the Annual Meeting

While the Company does not have a policy requiring the members of the board of directors to attend its annual meetings of stockholders, it encourages its directors to attend and it is anticipated that most of its directors will attend the annual meetings of stockholders. All directors in office at the time of the 2004 special meeting in lieu of annual meeting of stockholders attended the meeting.

Controlled Company Status

AMEX has adopted minimum requirements for director independence and nominating and compensation committee membership. These requirements do not apply to companies whose ownership is controlled by a single owner or group. Since Brantley III, Brantley IV and Brantley Capital own over a majority of the issued and outstanding Common Stock of the Company, the Company is considered a controlled company under the AMEX rules and, as such, is not required to comply with certain of AMEX's rules regarding director independence and nominating and compensation committee membership.

The board of directors currently has two standing committees, the Compensation Committee and the Audit Committee.

Compensation Committee

The current Compensation Committee consists of Mr. Cascio, who is the Chairman, and Messrs. McIntosh and Valley, two of whom are independent for purposes of the corporate governance standards for small business issuers of AMEX. The Compensation Committee provides recommendations to, and may act on behalf of, the board of directors regarding compensation matters, and administers the Company's stock option and compensation plans. The Compensation Committee held one meeting, on December 21, 2004 for the fiscal year ended December 31, 2004. A copy of the Compensation Committee charter is available on the Company's website at www.orionhealthcorp.com.

During the fiscal year ended December 31, 2004 and prior to the Restructuring, the Company also maintained a Compensation Committee. In that period, the members of the Compensation Committee were Michael A. Mineo, Sherman Nagler and Jeffrey J. Penso, each of whom was independent. During fiscal 2004, the previous Compensation Committee did not meet.

Audit Committee

The current Audit Committee consists of Messrs. Crane and Valley, each of whom is independent for purposes of the corporate governance standards for small business issuers of AMEX. Michael J. Finn serves on the Audit Committee in an ex officio capacity. Mr. Finn is an affiliate of Brantley IV, Brantley III and Brantley Capital and thus, is not considered independent. The Company is a small business issuer that files reports under the SEC Regulation S-B, and thus, is only required to have an audit committee composed of two or more independent directors. The board of directors has determined

Table of Contents

that the Audit Committee Chairman, Mr. Crane is financially sophisticated and qualifies as an audit committee financial expert for purposes of the AMEX corporate governance rules. The current Audit Committee held no meetings for the fiscal year ended December 31, 2004.

In connection with the Restructuring, the board of directors adopted a new written Audit Committee charter setting out the audit related functions the committee is to perform. The board of directors and the Audit Committee have reviewed and reassessed the adequacy of the formal written charter and found that it meets all necessary requirements. A copy of the Audit Committee charter is available on the Company's website at www.orionhealthcorp.com.

During the fiscal year ended December 31, 2004 and prior to the Restructuring, the Company maintained an Audit Committee, which held no meetings for the fiscal year ended December 31, 2004. Bruce Miller was the sole member of the Audit Committee during that period. The then acting board of directors determined that Dr. Miller was independent for purposes of the corporate governance standards of AMEX, but that Dr. Miller was not an audit committee financial expert as such term is defined in the applicable regulations of the SEC. At that time, the board of directors was not able to locate new directors who met the audit committee financial expert standards.

Report of the Audit Committee

As set forth in more detail in the Audit Committee charter, the Audit Committee's primary responsibilities include:

Ensuring the adequacy of the Company's internal controls and financial reporting process and the reliability of the Company's financial statements;

Engaging independent auditors to audit our financial statements and perform other services related to the audit, including determining the compensation to be paid to such independent auditors;

Monitoring the independence and performance of the Company's internal auditors and independent auditors;

Pre-approving all non-audit services provided to the Company by the independent auditors;

Monitoring the Company's compliance with legal and regulatory requirements; and

Reviewing any correspondence, report, complaint or concern that raises issues regarding the Company's financial statements or accounting policies and establishing procedures for (1) the receipt, retention and treatment of such complaints, and (2) the confidential, anonymous submission by employees of such concerns.

The Audit Committee recommends the selection of the Company's independent auditors to the board of directors and meets with the Company's independent auditors to discuss the scope and to review the results of the annual audit.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Audit Committee's charter. The current Audit Committee held no meetings during 2004. All of the directors who serve on the Audit Committee are independent for purposes of the corporate governance standards for small business issuers of AMEX.

The Audit Committee has reviewed the Company's financial statements and met with both management and UMFSL, the Company's independent auditors, to discuss those financial statements. Management has represented to the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles.

The Audit Committee has received from and discussed with UMFSL the written disclosure and the letter required by Independence Standards Board Standard No. 1 *Independence Discussions with Audit Committees*. These items relate to that firm's independence from the Company. The Audit Committee has

Table of Contents

also discussed with UMFSL any matters required to be discussed by Statement on Auditing Standards No. 61 *Communication with Audit Committees*, as amended.

On the basis of these reviews and discussions, the Audit Committee recommended to the board of directors that the board of directors approve inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2004, for filing with the SEC.

Table of Contents**Nominating Committee and Director Nominations**

Since the Company is a controlled company, it is not required by AMEX to maintain a nominating committee or to have the majority of the independent directors on the board perform the functions of a nominating committee, but it may choose to do so. The Company does not have a standing nominating committee and thus, does not have a nominating committee charter.

The board of directors does not have a policy with regard to the consideration of any director candidate recommended by a stockholder of the Company. The board of directors has determined that it is appropriate to not have such a policy given the infrequency of such recommendations being submitted to the board of directors. However, the board of directors will consider any director candidate recommended by a stockholder when such recommendation is submitted in accordance with the Bylaws and the applicable rules of the SEC.

The Bylaws contain detailed provisions regarding nominations by stockholders. The Bylaws provide that director nominations may be made by any stockholder of the Company who was a stockholder of record at the time the required notice is delivered to the Secretary, who is entitled to vote in the election of directors at the meeting, and who complies with the notice procedures. Such nominations must be made by timely notice in writing delivered or mailed to the Secretary by first class United States mail, postage prepaid, and received by the Secretary at the principal executive offices of the Company not less than ninety (90) calendar days nor more than one hundred twenty (120) calendar days prior to the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, that if the annual meeting is not held within thirty (30) days before or after such anniversary date, then for the notice by the stockholder to be timely it must be so received not later than the close of business on the 10th day following the date on which the notice of the meeting was mailed or such public disclosure was made, whichever occurs first. Such notice must include (a) as to each proposed nominee (i) the name, age, business address and, if known, residence address of each such nominee, (ii) the principal occupation or employment of each such nominee, (iii) the number of shares of stock of the Company which are beneficially owned by each such nominee, (iv) a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nominations are to be made by the stockholder, and (iv) any other information concerning the nominee that must be disclosed as to nominees in proxy solicitations pursuant to Regulation 14A under the Exchange Act, including such person's written consent to be named as a nominee and to serve as a director if elected; and (b) as to the stockholder giving the notice, (i) their name and address, as they appear on the Company's books, of the stockholder proposing such nomination, (ii) the class and number of shares of the Company which are beneficially owned by the stockholder, and (iii) any material interest of the stockholder in such nomination.

Prior to the adoption of the Bylaws at the 2004 special meeting in lieu of annual meeting of stockholders, the board of directors did not have a policy with regard to the consideration of director candidates recommended by stockholders. The then acting board of directors determined that it was appropriate to not have such a policy given the infrequency of such recommendations being submitted to the board of directors. However, the then acting board of directors considered any director candidate recommended by a stockholder of the Company when such recommendation was submitted in accordance with the bylaws then in effect.

The board of directors has identified certain qualifications that a director nominee must possess before it recommends said nominee for a position on the board of directors. The board believes that nominees for director should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of the stockholders of the Company. The board also strives to ensure that the composition of the board of directors at all times adheres to independence requirements of AMEX and reflects a range of talents, ages, skills, character, and expertise, particularly in the areas of management, leadership and corporate governance, the healthcare industry and related industries sufficient to provide sound and prudent guidance with respect to the operations and interests of the Company.

Table of Contents

The board of directors identifies qualified nominees for directors from among recommendations made by members of the board of directors and nominations made by stockholders as described above. Pursuant to the Stockholders Agreement, each of Brantley III, Brantley IV and Brantley Capital have agreed to cast all votes necessary to elect as members of the board of directors of the Company one director as shall have been nominated by each of Brantley III, Brantley IV and Brantley Capital. The board of directors evaluates all nominees for directors based on the qualifications described above.

Code of Ethics

The board of directors has adopted a Corporate Code of Business Conduct and Ethics that is applicable to all of our officers and employees. We have posted the Corporate Code of Business Conduct and Ethics in the Investor Relations section of the Company's website at www.orionhealthcorp.com. If, in the future, we amend, modify or waive a provision in the Corporate Code of Business and Ethics, rather than filing a Form 8-K, we may satisfy the disclosure requirement under Item 10 of Form 8-K by posting such information on our website as necessary.

Stock Option Plans

2004 Incentive Plan. On September 7, 2004, the Company's board of directors adopted the Orion HealthCorp, Inc. 2004 Incentive Plan (the "2004 Incentive Plan"), which was approved by the Company's stockholders at the special meeting in lieu of annual meeting of stockholders held on October 6, 2004. The 2004 Incentive Plan provides for the grant of stock incentive awards for up to 2.2 million shares of Class A common stock to key employees, directors and consultants of the Company. The purpose of the 2004 Incentive Plan is to enable the Company to attract and retain key personnel and directors. Awards may consist of stock options (incentive and nonstatutory), stock appreciation rights, stock awards, performance share awards, Section 162(m) awards or other awards determined by the board of directors or a committee appointed by the board of directors. Incentive stock options granted pursuant to the 2004

Table of Contents

Incentive Plan cannot be granted at an exercise price which is less than 100% of the fair market value of the Class A common stock on the date of the grant. Vesting, exercisability, payment and other restrictions pertaining to any awards made pursuant to the 2004 Incentive Plan are determined by the board of directors or a committee appointed by the board of directors.

Currently, there are no specific grants proposed to be made under the 2004 Incentive Plan. None of the employment agreements with Keith G. LeBlanc, Terrence L. Bauer, Stephen H. Murdock, Dennis Cain and Tom M. Smith obligate the Company to grant any incentive awards under the 2004 Incentive Plan.

SurgiCare, Inc. 2001 Stock Option Plan. In October 2001, the Company's board of directors adopted the SurgiCare, Inc. 2001 Stock Option Plan (the 2001 Plan), which was approved by the Company's stockholders at the annual meeting of stockholders held on November 13, 2001. Options to acquire approximately 575,789 shares of the Company's Class A common stock were outstanding under the 2001 Plan at December 31, 2004. The purposes of the 2001 Plan are to advance the best interest of our stockholders and to attract, retain and motivate key employees and persons affiliated with us, and provide such persons with additional incentive to further the business, promote long-term financial success and increase stockholder value by increasing their proprietary interest in our success. The 2001 Plan permits the Company to grant stock option grants, stock appreciation rights, restricted stock awards and performance stock awards to key employees, officers, directors, and consultants. Limitation of Liability and Indemnification of Officers and Directors

The Charter and the Bylaws provide that we will indemnify our directors and officers to the fullest extent permitted by Delaware law. We believe that the provisions in the Charter and the Bylaws are necessary to attract and retain qualified persons as directors and officers.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following parties have a direct or indirect material interest in transactions with the Company since the beginning of the most recently completed fiscal year and such transactions are described below:

Paul H. Cascio and Michael J. Finn, each of whom is a director of the Company, are general partners of the general partner of Brantley Venture Partners II, L.P. (Brantley II), Brantley III and Brantley IV and limited partners of those funds. Mr. Cascio is director, vice president, secretary and a shareholder of Brantley Capital, and vice president and secretary of Brantley Capital Management. Mr. Finn is the president and a shareholder of Brantley Capital and a manager and co-owner of Brantley Capital Management. Brantley Capital Management serves as investment adviser for, and receives advisory fees from, Brantley Venture Partners, L.P., Brantley II, Brantley III and Brantley IV.

As of the consummation of the Restructuring, Brantley IV and its co-investors, including Brantley Capital, owned shares of Class B common stock and Brantley III and Brantley Capital owned shares of Class A common stock. By virtue of their affiliations with Brantley III, Brantley IV, Brantley Capital and Brantley Capital Management, Messrs. Cascio and Finn may be deemed to have a pecuniary interest in the shares of Class B common stock held by Brantley IV and Brantley Capital and the shares of Class A common stock held by Brantley Capital and Brantley III. (See VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF)

During 2004 and 2003, each of the Company and IPS issued promissory notes to an affiliate of Brantley IV, as part of a bridge financing, the aggregate amount of such debt, including interest, was \$5,908,761 as of December 15, 2004. Such bridge loans were paid by the Company with a portion of the cash invested by Brantley IV in the Restructuring. At the time the bridge loans were made, Mr. Cascio, Mr. Finn and Brantley IV were unrelated third parties with respect to the Company, and the loans were

Table of Contents

made after arms length negotiations on terms the Company believes were as favorable as could be obtained from other unrelated third parties.

Brantley Capital and Brantley III each held debt of IPS and are party to the Amended and Restated Debt Exchange Agreement dated February 9, 2004, as amended on July 16, 2004 (the Debt Exchange Agreement). Pursuant to the Debt Exchange Agreement, Brantley Capital and Brantley III received Class A common stock with a fair market value equal to the amount owing to it under its loan to IPS in exchange for contribution of such debt to the Company. Pursuant to the Debt Exchange Agreement, Brantley Capital also received Class A common stock with a fair market value equal to the amount of certain accrued dividends owed to it by IPS in exchange for the contribution of such indebtedness. The aggregate amount of debt exchanged by the parties to the Debt Exchange Agreement was \$4,375,229, which included accrued interest as of December 15, 2004, and \$593,100 of debt in respect of accrued dividends.

Brantley Capital and Brantley III previously owned an aggregate of 1,653,000 shares of the Series A-2 convertible preferred stock of IPS with a liquidation preference of approximately \$6,705,037, and received 2,312,081 shares of Class A common stock in the Company's acquisition of IPS. Such shares were intended to approximate the value of such liquidation preference, but were subject to reduction to the extent necessary to achieve the guaranteed allocation to holders of certain classes of IPS common stock.

Following certain assignments of rights and additional investments pursuant to the Supplemental Stock Subscription Agreement, dated as of December 15, 2004, by and among SurgiCare, Brantley IV and each of the investors listed on Schedule I thereto (the Supplemental Stock Subscription Agreement) and the Second Amendment and Supplement to Stock Subscription Agreement (the Second Amendment and Supplement to Stock Subscription Agreement), dated as of December 15, 2004, by and among SurgiCare, Brantley IV, Brantley Capital and each of the investors listed on Schedule I thereto, the shares of Class B common stock of the Company received by Brantley IV and its co-investors constituted approximately 69.6% of the Company's outstanding equity immediately after the consummation of the Restructuring on an as-converted basis. Brantley IV also received the option to purchase additional shares of Class A common stock for cash in an amount up to an aggregate of \$3.0 million from time to time after the consummation of the Restructuring, subject to the approval of a majority of the unaffiliated members of the board of directors, at a price equal to the lesser of \$1.25 per share or 70% of the daily average of the high and low trading prices of the Class A common stock for the twenty trading days preceding the date of the closing of such investment. Brantley IV and Brantley Capital used its own cash for the acquisition of the Class B common stock.

In the Restructuring, pursuant to a Registration Rights Agreement, dated as of December 15, 2004, by and among the Company and the investors set forth on Schedule I thereto (the Registration Rights Agreement), Brantley IV and its co-investors and/or their permitted transferees were granted the right to request that the Company effect the registration of shares of Class A common stock currently issued, or issued in the future, to Brantley IV, its co-investors and/or their permitted transferees (including shares of Class A common stock into which shares of Class B common stock or other securities of the Company are convertible, collectively, Registerable Securities) having an anticipated net aggregate offering price of at least \$5.0 million. At any time the Company otherwise proposes to register any of its equity securities, Brantley IV and its co-investors and/or their permitted transferees may request the registration of Registrable Shares. Brantley IV and its co-investors have registration rights for all of the shares of Class A common stock issuable upon conversion of its shares of Class B common stock. As of the consummation of the Restructuring, this was approximately 16,033,984 shares of Class A common stock but, assuming everything else remains the same, the number of shares of Class A common stock as to which Brantley IV and its co-investors have registration rights will continually increase, since the conversion factor for the Class B common stock is designed to yield additional shares of Class A common stock over time pursuant to the terms thereof. The third-party beneficiaries will have registration rights for one year with respect to an aggregate of up to approximately 6,122,172 shares of Class A common stock.

Table of Contents

The Company entered into the Stockholders Agreement with Brantley III, Brantley IV and Brantley Capital, pursuant to which each of Brantley III, Brantley IV and Brantley Capital have agreed to cast all votes necessary to elect as members of the board of directors of the Company one director as shall have been nominated by each of Brantley III, Brantley IV and Brantley Capital.

As part of the Restructuring, the Company entered into employment agreements with Terrence L. Bauer, the Chief Executive Officer of the Company and a stockholder of the Company, Keith G. LeBlanc, the President of the Company and a stockholder of the Company, and Stephen H. Murdock, the Chief Financial Officer of the Company. (See DIRECTOR AND EXECUTIVE COMPENSATION Employment and Other Agreements)

In connection with the Restructuring, the Company entered into the Loan and Security Agreement dated as of December 15, 2004, by and among the Company, certain of its affiliates and subsidiaries and Healthcare Business Credit Corporation (HBCC) (the Loan and Security Agreement) and revolving credit note with HBCC. Pursuant to the Guaranty Agreement (the Brantley IV Guaranty), dated as of December 15, 2004, provided by Brantley IV to HBCC, Brantley IV agreed to provide a deficiency guaranty in the amount of \$3,272,727. Pursuant to the Guaranty Agreement (the Brantley Capital Guaranty ; and together with the Brantley IV Guaranty, collectively, the Guaranties), dated as of December 15, 2004, provided by Brantley Capital to HBCC, Brantley Capital agreed to provide a deficiency guaranty in the amount of \$727,273. The Company issued warrants to purchase an aggregate of 25,000 shares of Class A common stock, at an exercise price of \$0.01 per share, to Brantley IV and Brantley Capital in consideration for deficiency Guaranties in the aggregate amount of \$4.0 million by Brantley IV and Brantley Capital in connection with the new credit facility.

On March 16, 2005, Brantley IV loaned the Company an aggregate of \$1,025,000 (the March Loan). On April 19, 2005, Brantley IV loaned the Company an additional \$225,000 (the April Loan). Although the definitive transaction documents with respect to these loans have not been finalized or executed, a summary of the anticipated terms of the loans is as follows: (i) the loans are unsecured; (ii) the loans are subordinate to the Company s outstanding loan from HBCC and other indebtedness for monies borrowed and are ranked pari passu with general trade liabilities; (iii) principal and interest on the loans are due April 19, 2006; (iv) the interest accrues at a per annum rate equal to nine percent (9%) and is non-compounding; and (v) Brantley IV, at its option, may convert all or a portion of the outstanding principal and interest due on or after the maturity date of the loans into shares of Class A common stock of the Company at a price per share equal to \$1.042825. The number of shares issuable upon conversion with respect to the March Loan shall not exceed the lesser of (i) 1,159,830 shares of Class A common stock, or (ii) 16.3% of the then outstanding Class A common stock. The number of shares issuable upon conversion with respect to the April Loan shall not exceed the lesser of (i) 254,597 shares of Class A common stock, or (ii) 3.6% of the then outstanding Class A common stock.

Additionally, as part of this transaction, the Company entered into a First Amendment to the Loan and Security Agreement (the First Amendment), dated March 22, 2005, with certain of the Company s affiliates and subsidiaries, and HBCC, whereby its \$4,000,000 secured two-year revolving credit facility has been reduced by the amount of the loans from Brantley IV to \$2,750,000. As a result of the First Amendment, the Brantley IV Guaranty was amended by the Amended and Restated Guaranty Agreement (the Amended Brantley IV Guaranty), dated March 22, 2005, which reduces the deficiency guaranty provided by Brantley IV by the amount of the March Loan to \$2,247,727. Also as a result of the First Amendment, the Brantley Capital Guaranty was amended by the Amended and Restated Guaranty Agreement (the Amended Brantley Capital Guaranty), dated March 22, 2005, which reduces the deficiency guaranty provided by Brantley Capital by the amount of the April Loan to \$502,273.

Election of each of the nominated directors requires the approval of a plurality of the votes cast by the stockholders of the Company at the Annual Meeting. The board of directors recommends that stockholders vote FOR the election of each of the individuals named herein as nominees for directors of the Company.

PROPOSAL II**Ratification of March 2003 Private Placement**

In March 2003, the Company conducted a private placement of units consisting of 3,258,544 shares of common stock and warrants to purchase 1,629,272 additional shares of common stock to 31 investors (the Private Placement). As a result of the Restructuring and the one-for-ten Reverse Stock Split in December 2004, the shares issued in the Private Placement now consist of 325,854 shares of Class A common stock and the warrants now represent warrants to purchase an aggregate of 162,927 shares of Class A common stock. The securities sold in the Private Placement were restricted securities as defined in Rule 144(a)(3) of Exchange Act, and according the Company's records, the Company issued 127,213 shares (as adjusted for the Reverse Stock Split) upon exercise of the warrants sold in the Private Placement and the remaining warrants for an aggregate of 35,714 shares of Class A common stock expired or were cancelled in accordance with their terms.

Section 713 of the AMEX's Company Guide requires AMEX-listed companies to obtain stockholder approval in connection with transactions involving the sale, issuance, or potential issuance by the Company of common stock (or securities convertible into common stock) equal to 20% or more of the then outstanding stock for a price that is less than the greater of book or market value of the stock. The securities sold in the Private Placement represented more than 23% of the Company's then-outstanding shares and the price per share (including the exercise price of the options) was less than the greater of the then book or market value of the Company's stock.

At the time of the transactions the Company did not obtain stockholder approval for the Private Placement. On March 7, 2005, AMEX notified the Company that it was in violation Section 713 of the AMEX Company Guide for failure to seek stockholder approval of the Private Placement and threatened to delist the Company from AMEX. In order to remedy the non-compliance, the Company is seeking ratification of the Private Placement.

Private Placement of Common Shares and Warrant

This summary is qualified in its entirety by reference to the form of Subscription Agreement, Warrant Agreement and Registration Rights Agreement (collectively, the Private Placement Documents), copies of which are attached hereto as Annex A, B and C, respectively. All per share information reflects the one-for-ten Reverse Stock Split of the Company's common stock effective in December 2004. The following information regarding the number of shares issued in the Private Placement and underlying the warrants, as well as the price per share and unit, has been adjusted to reflect the Company's Reverse Stock Split effected on December 15, 2004.

Issuance of Common Shares and Warrants. During March 2003, the Company accepted subscriptions from 31 investors for 162,927 units, each unit consisted of two shares of common stock and one warrant to purchase one additional share of common stock for a purchase price per unit of \$7.00, as adjusted. Pursuant to the Private Placement the Company issued 325,854 common shares and warrants for the purchase of 162,927 additional common shares. The cash raised by the Company in connection with the Private Placement was used for working capital purposes.

Table of Contents

Warrants. The warrants were exercisable for one year at the exercise price of \$3.50 per share, as adjusted. The exercise price and the number of shares issuable upon exercise of the warrants were subject to adjustment in the event of stock splits, reverse stock splits or consolidations affecting the common shares issuable pursuant to such warrants. The Company issued 127,213 shares of Class A common stock upon exercise of warrants sold in the Private Placement and the remaining warrants for 35,714 shares expired or were cancelled.

Registration Rights. Under the Registration Rights Agreement entered into by the Company with each investor in the Private Placement, the Company is obligated to register the common shares and shares underlying the warrants in a firm commitment underwritten offering of the Company's securities, subject to the provisions of the agreement, including the limitation by the managing underwriter of the number of shares to be underwritten in such an offering.

Effect on Outstanding Common Stock

The issuance of the common shares and shares underlying the exercised warrants had no effect on the rights or privileges of the then-existing holders of common stock except that the economic and voting interests of each stockholder was diluted as a result of such issuance. The remaining warrants have expired by their terms and, therefore, no additional dilution is expected as a result of warrant exercises.

Consequences if Stockholder Approval is Not Obtained

If the stockholder approval sought hereby is not obtained, the Company will not be able to meet certain of the continued listing standards of AMEX and will be subject to delisting from AMEX. The board of directors believes that delisting of the Class A common stock by AMEX could adversely affect the ability of the Company to attract new investors, may result in decreased liquidity of the outstanding shares of Common Stock and, consequently, could reduce the price at which such shares trade and increase the transaction costs inherent in trading such shares. In addition, the board of directors believes that delisting of the Class A common stock could deter broker-dealers from making a market in or otherwise seeking or generating interest in the Class A common stock, and might deter certain persons from investing in the Class A common stock. Also, if our Class A common stock were to become delisted from trading on AMEX and the trading price were to remain below \$5.00 per share, trading in our Common Stock may also be subject to the requirements of certain rules promulgated under the Exchange Act, which require additional disclosure by broker-dealers in connection with any trades involving a stock defined as a penny stock (generally, any equity security not listed on a national securities exchange or quoted on Nasdaq that has a market price of less than \$5.00 per share, subject to certain exceptions). Finally, the additional burdens imposed upon broker-dealers by these requirements could discourage broker-dealers from facilitating trades in our Class A common stock, which could severely limit the market liquidity of the stock and the ability of investors to trade our Common Stock.

Vote Required and Board Recommendation

Approval of the ratification of the Private Placement will require the affirmative vote of a majority of the total number of shares of Common Stock represented in person or by proxy at the Annual Meeting and entitled to vote.

The board of directors recommends that the stockholders vote FOR ratification of the Private Placement.

PROPOSAL III

Ratification of Issuance of Shares as Compensation

On February 5, 2004, the board of directors approved the issuance of 13,600 shares of the Company's common stock (as adjusted for the one-for-ten Reverse Stock Split in December 2004) to Brewer and Pritchard, P.C. and Jerry Sokol, as compensation for legal services (Compensation Share Grant). Prior

Table of Contents

to the issuance of the shares, Brewer and Pritchard, P.C. and Jerry Sokol served as legal counsel to the Company on various matters. The Company issued the shares in satisfaction of an aggregate of \$57,154 in legal fees then payable by the Company.

Section 711 of the AMEX's Company Guide requires AMEX-listed companies to obtain stockholder approval in connection with the establishment of (or material amendment to) a stock option or purchase plan or other equity compensation arrangement pursuant to which options or stock may be acquired by officers, directors, employees, or consultants, regardless of whether or not such authorization is required by law or by the Company's charter.

At the time of the Compensation Share Grant the Company did not obtain stockholder approval for such stock issuance. On March 7, 2005, AMEX notified the Company that it was in violation Section 711 of the AMEX Company Guide for failure to seek stockholder approval of the Compensation Share Grant and threatened to delist the Company from AMEX. In order to remedy the non-compliance, the Company is seeking ratification of the Compensation Share Grant.

Effect on Outstanding Common Stock

The issuance of the common shares pursuant to the Compensation Share Grant had no effect on the rights or privileges of the then-existing holders of common stock except that the economic and voting interests of each stockholder was diluted as a result of such issuance.

Consequences if Stockholder Approval is Not Obtained

If the stockholder approval of the Compensation Share Grant sought hereby is not obtained, the Company will not be able to meeting certain of the continued listing standards of AMEX and will be subject to delisting.

Vote Required and Board Recommendation

Approval of the ratification of the Compensation Share Grant will require the affirmative vote of a majority of the total number of shares of Common Stock represented in person or by proxy at the Annual Meeting and entitled to vote.

The board of directors recommends that the stockholders vote FOR ratification of the Compensation Share Grant.

Warrant To Purchase Shares Of Common Stock

SurgiCare, Inc.

(a Delaware corporation)

12727 Kimberley Lane, Suite 200

Houston, Texas 77024

Not Transferable or Exercisable Except
upon Conditions Herein Specified

SurgiCare, Inc., a Delaware corporation (Company), hereby certifies that _____, his registered successors and permitted assigns registered on the books of the Company maintained for such purposes, as the registered holder hereof (Holder), for value received, is entitled to purchase from the Company the number of fully paid and non-assessable shares of Common Stock of the Company, \$.005 par value (Shares or Common Stock), stated above at the purchase price per Share set forth in Section 1(b) below (the number of Shares and Exercise Price being subject to adjustment as hereinafter provided) upon the terms and conditions herein provided. This warrant (the Warrant or Warrant Agreement) is being issued pursuant the Private Placement Memorandum dated December 16, 2002 (Memorandum), to which the Company and Holder (or Holder s predecessor in interest) are parties. .

1. Exercise of Warrants.

(a) Subject to subsection (b) of this Section 1, upon presentation and surrender of this Warrant Agreement, with the attached Purchase Form duly executed, at the principal office of the Company, or at such other place as the Company may designate by notice to the Holder hereof, together with a certified or bank cashier s check payable to the order of the Company in the amount of the Exercise Price times the number of Shares being purchased (or in the case of exercise pursuant to Section 1(c)(i) or (ii), as set forth in such sections), the Company shall deliver to the Holder hereof, as promptly as practicable, certificates representing the Shares being purchased. This Warrant may be exercised in whole or in part; and, in case of exercise hereof in part only, the Company, upon surrender hereof, will deliver to the Holder a new Warrant Agreement or Warrant Agreements of like tenor entitling the Holder to purchase the number of Shares as to which this Warrant has not been exercised.

(b) This Warrant may be exercised at a price of \$0.35 per share (the Exercise Price) on and after the date hereof and prior to the close of business on January 31, 2004.

(c) The Warrant Price shall be payable at the time of exercise. The Warrant Price may be paid in cash, by certified check, cashier s check, or by wire transfer.

2. Exchange and Transfer of Warrant.

At any time prior to the exercise hereof, upon presentation and surrender to the Company, this Warrant (a) may be exchanged, alone or with other Warrants of like tenor registered in the name of the Holder, for another Warrant or other Warrants of like tenor in the name of such Holder exercisable for

the same aggregate number of Shares as the Warrant or Warrants surrendered, but (b) may not be sold, transferred, hypothecated, or assigned, in whole or in part, without the prior written consent of the Company.

3. **Rights and Obligations of Warrant Holder.**

(a) The Holder of this Warrant Agreement shall not, by virtue hereof, be entitled to any rights of a stockholder in the Company, either at law or in equity; provided, however, that in the event that any certificate representing the Shares is issued to the Holder hereof upon exercise of this Warrant, such Holder shall, for all purposes, be deemed to have become the holder of record of such Shares on the date on which this Warrant Agreement, together with a duly executed Purchase Form, was surrendered and payment of the Exercise Price was made, irrespective of the date of delivery of such Share certificate. The rights of the Holder of this Warrant are limited to those expressed herein and the Holder of this Warrant, by his acceptance hereof, consents to and agrees to be bound by and to comply with all the provisions of this Warrant Agreement, including, without limitation, all the obligations imposed upon the Holder hereof by Sections 2 and 5 hereof. In addition, the Holder of this Warrant Agreement, by accepting the same, agrees that the Company may deem and treat the person in whose name this Warrant Agreement is registered on the books of the Company maintained for such purposes as the absolute, true and lawful owner for all purposes whatsoever, notwithstanding any notation of ownership or other writing thereon, and the Company shall not be affected by any notice to the contrary.

(b) No Holder of this Warrant Agreement shall be entitled to vote or receive dividends or to be deemed the holder of Shares for any purpose, nor shall anything contained in this Warrant Agreement be construed to confer upon any Holder of this Warrant Agreement any of the rights of a stockholder of the Company or any right to vote, give or withhold consent to any action by the Company, whether upon any recapitalization, issue of stock, reclassification of stock, consolidation, merger, conveyance or otherwise, receive notice of meetings or other action affecting stockholders (except for notices provided for herein), receive dividends, subscription rights, or otherwise, until this Warrant shall have been exercised and the Shares purchasable upon the exercise thereof shall have become deliverable as provided herein; provided, however, that any such exercise on any date when the stock transfer books of the Company shall be closed shall constitute the person in whose name the certificate for those Shares are to be issued as the record holder thereof for all purposes at the opening of business on the next succeeding day on which such stock transfer books are open, and the Warrant surrendered shall not be deemed to have been exercised, in whole or in part as the case may be, until the next succeeding day on which stock transfer books are open for the purpose of determining entitlement to dividends on the Company's common stock.

4. **Shares Underlying Warrants.**

The Company covenants and agrees that all Shares delivered upon exercise of this Warrant shall, upon delivery and payment therefore, be duly and validly authorized and issued, fully paid and non-assessable, and free from all stamp taxes, liens and charges with respect to the purchase thereof.

5. **Disposition of Warrants or Shares: Registration Right.**

(a) The Holder of this Warrant Agreement and any transferee hereof or of the Shares issuable upon the exercise of the Warrant Agreement, by their acceptance hereof, hereby understand and agree that the Warrant, and the Shares issuable upon the exercise hereof, have not been registered under either the Act or State Acts and shall not be sold, pledged, hypothecated, or otherwise transferred (whether or not for consideration) except upon the issuance to the Company of an opinion of counsel favorable to the Company or its counsel or submission to the Company of such evidence as may be satisfactory to the Company or its counsel, in each such case, to the effect that any such transfer shall not be in violation of the Act or the State Acts. It shall be a condition to the transfer of this Warrant that any transferee of this Warrant deliver to the Company his written agreement to accept and be bound by all of the terms and conditions of this Warrant Agreement. The Holder acknowledges that the Company has granted registration rights as described in the Registration Rights Agreement that is part of the Memorandum.

(b) The stock certificates of the Company that will evidence the shares of Common Stock with respect to which this Warrant may be exercisable will be imprinted with a conspicuous legend in substantially the following form:

The securities represented by this certificate have not been registered under either the Securities Act of 1933 (Act) or the securities laws of any state (State Acts). Such securities shall not be sold, pledged, hypothecated, or otherwise transferred (whether or not for consideration) at any time whatsoever except upon registration or upon delivery to the Company of an opinion of its counsel satisfactory to the Company or its counsel that registration is not required for such transfer or the submission of such other evidence as may be satisfactory to the Company or its counsel to the effect that any such transfer shall not be in violation of the Act, State Acts or any rule or regulation promulgated there under.

6. Adjustments.

The number of Shares purchasable upon the exercise of each Warrant is subject to adjustment from time to time upon the occurrence of any of the events enumerated below:

(a) If at any time after the date of this Warrant and so long as this Warrant is outstanding, there is a stock split, stock dividend, subdivision, or similar distribution with respect to the Common Stock, or a combination of the Common Stock, then, in such event, the Exercise Price shall be adjusted in accordance with (b) below.

(b) Immediately upon the effective date of any event requiring adjustment pursuant to (a), the Company shall adjust the Exercise Price then in effect (to the nearest whole cent) as follows:

i) in the event such adjustment is caused by a forward stock split, stock dividend, subdivision, or other similar distribution of shares of Common Stock, the Exercise Price in effect, immediately prior to the effective date of such event shall be decreased to an amount which shall bear the same relation to the Exercise Price in effect immediately prior to such event as the total number of shares of Common Stock outstanding immediately prior to such event bears to the total number of shares of Common Stock outstanding immediately after such event;

ii) in the event such adjustment is caused by a combination of shares of Common Stock, the Exercise Price in effect immediately prior to the close of business on the effective date of such event shall be increased to an amount which shall bear the same relation to the Exercise Price in effect immediately prior to such event as the total number of shares of Common Stock outstanding immediately prior to such event bears to the total number of shares of Common Stock outstanding immediately after such event.

(c) Upon each adjustment of the Exercise Price pursuant to (b) above, the Warrant outstanding prior to such adjustment in the Exercise Price shall thereafter evidence the right to purchase, at the adjusted Exercise Price, that number of shares of Common Stock (calculated to the nearest hundredth) obtained by (i) multiplying the number of shares of Common Stock issuable upon exercise of the Warrant prior to adjustment of the number of shares of Common Stock by the Exercise Price in effect prior to adjustment of the Exercise Price and (ii) dividing the product so obtained by the Exercise Price in effect after such adjustment of the exercise price.

(d) In case the Company (i) consolidates with or merges into any other entity and is not the continuing or surviving entity of such consolidation or merger, or (ii) permits any other entity to consolidate with or merge into the Company and the Company is the continuing or surviving Company but, in connection with such consolidation or merger, the Common Stock is changed into or exchanged for common stock or other securities of any other entity or cash or any other assets, or (iii) transfers all or substantially all of its properties and assets to any other entity, or (iv) effects a reorganization or reclassification of the equity of the Company in such a way that holders of Common Stock shall be entitled to receive stock, securities, cash or assets with respect to or in exchange for Common Stock, then, and in each such case, proper provision shall be made so that, upon the exercise of this Warrant at any

Table of Contents

time after the consummation of such consolidation, merger, transfer, reorganization or reclassification, the Holder shall be entitled to receive (at the aggregate Exercise Price in effect for Common Stock issuable upon such exercise of this Warrant immediately prior to such consummation), in lieu of Common Stock issuable upon such exercise of this Warrant prior to such consummation, the stock and other securities, cash and assets to which such Holder would have been entitled upon such consummation if such Holder had so exercised this Warrant immediately prior thereto.

7. Loss or Destruction.

Upon receipt of evidence satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant Agreement and, in the case of any such loss, theft or destruction, upon delivery of an indemnity agreement or bond satisfactory in form, substance and amount to the Company or, in the case of any such mutilation, upon surrender and cancellation of this Warrant Agreement, the Company will execute and deliver, in lieu thereof, a new Warrant Agreement of like tenor.

8. Survival.

The various rights and obligations of the Holder hereof as set forth herein shall survive the exercise of the Warrants represented hereby and the surrender of this Warrant Agreement.

9. Notices.

ANNEX C

FORM OF REGISTRATION RIGHTS AGREEMENT

This Registration Rights Agreement (this Agreement), dated , 200 , is by and between SurgiCare, Inc., a Delaware corporation (Company), and (the Holder).

W I T N E S S E T H:

WHEREAS, the Holder has purchased Units, the number of which is set forth on page 5 of this Agreement (the Units), pursuant to the Private Placement Memorandum dated December 16, 2002 (the Memorandum); and WHEREAS, each Unit consists of two shares of common stock of the Company (the Common Stock) and a warrant to purchase one share of Common Stock (the Warrant) (the shares of Common Stock underlying the Warrant are referred to as the Warrant Shares) and the Company has issued shares of Common Stock and the Warrant to the Holder; and

WHEREAS, in connection with the transaction by and between Company and the Holder, the Company has agreed to grant certain Registration Rights (hereinafter defined) to the Holder s shares of Common Stock and the Warrant Shares (the Common Stock and Warrant Shares are collectively referred to as the Registrable Securities).

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

ARTICLE ONE

Registration Rights Agreement

Section 1.1 *Registration Rights Available.* The Company agrees to provide the Holder with the following registration rights with respect to the resale of the Registrable Securities and any other securities issued or issuable at any time or from time to time in respect of the Shares upon a stock split, stock dividend, recapitalization or other similar event involving the Company (collectively, the Securities): unlimited rights to register on a piggyback basis in a firm commitment underwritten offering of Company securities, subject to the provisions of this Agreement.

Section 1.2 *Piggyback Registration.* With respect to Holder s right to piggyback on a firm commitment underwriting of the Company securities pursuant to Section 1.1, the parties agree as follows:

(a) Pursuant to Section 1.1, the Company will (i) promptly give to the Holder written notice of any registration relating to a firm commitment public offering of the Company securities; and (ii) include in such registration (and related qualification under blue sky laws or other compliance, unless such expense or terms of such qualification is unreasonable in comparison to the number of securities to be registered in such jurisdiction, as determined in the sole discretion of the Company), and in the underwriting involved therein, all the Securities specified in Holder s written request or requests, mailed in accordance with Section 3.8 herein within 30 days after the date of such written notice from the Company.

(b) The right of Holder to registration pursuant to Section 1.1 shall be conditioned upon Holder s participation in such underwriting, and the inclusion of the Securities in the underwriting shall be limited to the extent provided herein. The Holder and all other holders proposing to distribute their securities through such underwriting shall (together with the Company and the other holders distributing their securities through such underwriting) enter into an underwriting agreement in customary form with the managing underwriter selected for such underwriting by the Company. Notwithstanding any other provision of this Agreement, if the managing underwriter determines that marketing factors require a limitation of the number of shares to be underwritten, the managing underwriter may limit some or all of the Securities

that may be included in the registration and underwriting as follows: the number of Securities that may be included in the registration and underwriting by the Holder shall be determined by multiplying the number of shares of Securities of all selling shareholders of the Company which the managing underwriter is willing to include in such registration and underwriting, times a fraction, the numerator of which is the number of Securities requested to be included in such registration and underwriting by the Holder, and the denominator of which is the total number of Securities which all selling shareholders of the Company have requested to have included in such registration and underwriting. To facilitate the allocation of shares in accordance with the above provisions, the Company may round the number of shares allocable to any such person to the nearest 100 shares. If the Holder disapproves of the terms of any such underwriting, it may elect to withdraw there from by written notice to the Company and the managing underwriter, delivered not less than seven days before the effective date. Any securities excluded or withdrawn from such underwriting shall be withdrawn from such registration, and shall not be transferred in a public distribution prior to 120 days after the effective date of the registration statement relating thereto, or such other shorter period of time as the underwriters may require.

Section 1.3 *Registration Procedure.* With respect to each Registration Right, the following provisions shall apply:

(a) The Holder shall be obligated to furnish to the Company and the underwriters (if any) such information regarding the Securities and the proposed manner of distribution of the Securities as the Company and the underwriters (if any) may request in writing and as shall be required in connection with any registration, qualification or compliance referred to herein and shall otherwise cooperate with the Company and the underwriters (if any) in connection with such registration, qualification or compliance.

(b) With a view to making available the benefits of certain rules and regulations of the Commission, which may at any time permit the sale of the Restricted Securities (used herein as defined in Rule 144 under the Securities Act) to the public without registration, the Company agrees to use its best lawful efforts to:

(i) Make and keep public information available, as those terms are understood and defined in Rule 144 under the Securities Act, at all times during which the Company is subject to the reporting requirements of the Securities Exchange Act of 1934, as amended (Exchange Act);

(ii) File with the Commission in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act (at all times during which the Company is subject to such reporting requirements); and

(iii) So long as the Holder owns any Restricted Securities, to furnish to the Holder forthwith upon request a written statement by the Company as to its compliance with the reporting requirements of said Rule 144 and with regard to the Securities Act and the Exchange Act (at all times during which the Company is subject to such reporting requirements), a copy of the most recent annual or quarterly report of the Company, and such other reports and documents of the Company and other information in the possession of or reasonably obtainable by the Company as the Holder may reasonably request in availing themselves of any rule or regulation of the Commission allowing the Holder to sell any such securities without registration.

(c) The Company agrees that it will furnish to the Holder such number of prospectuses, offering circulars or other documents incident to any registration, qualification or compliance referred to herein as provided or, if not otherwise provided, as the Holder from time to time may reasonably request.

(d) All expenses (except for costs of any interim audit required by underwriters, any underwriting and selling discounts and commissions and legal fees for Holder s attorneys) of any registrations permitted pursuant to this Agreement and of all other offerings by the Company (including, but not limited to, the expenses of any qualifications under the blue-sky or other state securities laws and compliance with governmental requirements of preparing and filing any post-effective amendments required for the lawful distribution of the Securities to the public in connection with such registration, of supplying prospectuses, offering circulars or other documents) will be paid by the Company.

(e) In connection with the preparation and filing of a registration statement under the Securities Act pursuant to this Agreement, the Company will give the Holder, its counsel and accountants, the opportunity to participate in the preparation of such registration statement, each prospectus included therein or filed with the Commission, and each amendment thereof or supplement thereto, and will give each of them such access to its books and records and such opportunities to discuss the business of the Company with its officers and the independent public accountants who have certified its financial statements as shall be necessary to conduct a reasonable investigation within the meaning of the Securities Act.

ARTICLE TWO

Indemnification

Section 2.1 *Indemnification by the Company.* In the event of any registration of the Securities of the Company under the Securities Act, the Company agrees to indemnify and hold harmless the Holder and each other person who participates as an underwriter in the offering or sale of such securities against any and all claims, demands, losses, costs, expenses, obligations, liabilities, joint or several, damages, recoveries and deficiencies, including interest, penalties and attorneys' fees (collectively, Claims), to which the Holder or underwriter may become subject under the Securities Act or otherwise, insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based on any untrue statement or alleged untrue statement of any material fact contained in any registration statement under which Holder's Securities were registered under the Securities Act, any preliminary prospectus, final prospectus or summary prospectus contained therein, or any amendment or supplement thereto, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and the Company will reimburse the Holder's and each such underwriter for any legal or any other expenses reasonably incurred by them in connection with investigating or defending any such Claim (or action or proceeding in respect thereof); provided that the Company shall not be liable in any such case to the extent that any such Claim (or action or proceeding in respect thereof) or expense arises out of or is based on an untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement, any such preliminary prospectus, final prospectus, summary prospectus, amendment or supplement in reliance on and in conformity with written information furnished to the Company through an instrument duly executed by the Holder's specifically stating that it is for use in the preparation thereof. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Holder's or any such underwriter and shall survive the transfer of the Securities by the Holder.

Section 2.2 *Indemnification by the Holder.* The Company may require, as a condition to including the Securities in any registration statement filed pursuant to this Agreement, that the Company shall have received an undertaking satisfactory to it from the Holder, to indemnify and hold harmless (in the same manner and to the same extent as set forth in Section 2.1) the Company, each director of the Company, each officer of the Company and each other person, if any, who controls the Company, within the meaning of the Securities Act, with respect to any statement or alleged statement in or omission or alleged omission from such registration statement, any preliminary prospectus contained therein, or any amendment or supplement thereto, if such statement or alleged statement or omission or alleged omission was made in reliance on and in conformity with written information furnished to the Company through an instrument duly executed by the Holder specifically stating that it is for use in the preparation of such registration statement, preliminary prospectus, final prospectus, summary prospectus, amendment or supplement. Notwithstanding the foregoing, the maximum liability hereunder which any holder shall be required to suffer shall be limited to the net proceeds to such Holder from the Registrable Securities sold by such Holder in the offering. Such indemnity shall remain in full force and effect, regardless of any investigation made by or on behalf of the Company or any such director, officer or controlling person and shall survive the transfer of the Securities by the Holder.

Section 2.3 *Notices of Claims, etc.* Promptly after receipt by an indemnified party of notice of the commencement of any action or proceeding involving a Claim referred to in this Article Two, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party, give written notice to the latter of the commencement of such action, provided that the failure of any indemnified party to give notice as provided herein shall not relieve the indemnifying party of its obligations under this Article Two, except to the extent that the indemnifying party is actually prejudiced by such failure to give notice. In case any such action is brought against an indemnifying party, unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist in respect of such Claim, the indemnifying party shall be entitled to participate in and to assume the defense thereof, jointly with any other indemnifying party similarly notified to the extent that it may wish, with counsel reasonably satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party for any legal or other expenses subsequently incurred by the latter in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the consent of the indemnified party, consent to entry of any judgment or enter into any settlement that does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect of such Claim.

ARTICLE THREE

Miscellaneous

Section 3.1 *Consent to Amendments.* Except as otherwise expressly provided herein, the provisions of this Agreement may be amended or waived only by the written agreement of the Company and Holders owning greater than 51% of the Common Stock sold pursuant to the Memorandum and shall be effective only to the extent specifically set forth in such writing.

Section 3.2 *Term of the Agreement.* This Agreement shall terminate with respect to the Holder on the earlier to occur of (i) all of the Securities having been registered as provided in Article One or (ii) December 31, 2004.

Section 3.3 *Successors and Assigns.* Except as otherwise expressly provided herein, all covenants and agreements contained in this Agreement by or on behalf of any of the parties hereto are transferable and will bind and inure to the benefit of the respective successors and assigns of the parties hereto, but only if so expressed in writing.

Section 3.4 *Severability.* Whenever possible, each provision of this Agreement will be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable law, such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of this Agreement.

Section 3.5 *Delays or Omissions.* No failure to exercise or delay in the exercise of any right, power or remedy accruing to the Holder on any breach or default of the Company under this Agreement shall impair any such right, power or remedy nor shall it be construed to be a waiver of any such breach or default.

Section 3.6 *Remedies Cumulative.* All remedies under this Agreement, or by law or otherwise afforded to any party hereto shall be cumulative and not alterative.

Section 3.7 *Descriptive Headings.* The descriptive headings of this Agreement are inserted for convenience only and do not constitute a part of this Agreement. Unless clearly denoted otherwise, any reference to Articles or Sections contained herein shall be to the Articles or Sections of this Agreement.
