ChemFirst Announces Special Shareholders' Meeting and  
Receipt of FTC Request for Additional Information  
in Connection with Proposed Merger

JACKSON, Miss. (Sept. 3, 2002)-- ChemFirst Inc. (NYSE: CEM) announced today that it has scheduled a special meeting of its shareholders to consider and act on a proposal to approve ChemFirst's previously-announced merger agreement with DuPont. The special meeting will be held on October 16, 2002, at 11:00 a.m., local time, at Dennergy's, 330 Greymont Avenue, Jackson, Mississippi. Shareholders of record at the close of business on September 6, 2002, the record date for the special meeting, will be entitled to vote at the meeting.

ChemFirst also announced that the Federal Trade Commission (FTC) has requested additional information relating to the previously announced merger agreement between ChemFirst and DuPont. The merger has already been approved by the German Federal Cartel Office under applicable German antitrust laws.

The FTC's request extends the waiting period for clearance under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 until 30 days after ChemFirst and DuPont comply with the request unless terminated earlier. ChemFirst and DuPont will continue to cooperate with the FTC's review of the proposed merger and anticipate that the merger will close during the fourth quarter of 2002.

Completion of the merger is subject to customary closing conditions, including approval of the merger agreement by ChemFirst shareholders, in addition to antitrust clearance.

This press release includes forward-looking statements based on management assumptions and expectations. These forward-looking statements are subject to risks and uncertainties, including the timing and occurrence (or non-occurrence) of transactions and events which may be subject to circumstances beyond the control of ChemFirst and its subsidiaries, that
